Feedback Process

The Feedback about curriculum is collected from all the stakeholders (Faculty, Employers, Alumni, Parents and Professional Bodies Representatives) through Department Advisory board meetings. Based on the recommendations of the meetings, content beyond syllabus are added to the courses to fill the gaps in the curriculum. Further, the meeting minutes are communicated to the University.

This feedback and action taken report are available in the respective web pages of our college website.

Apart from this, the institute collects both formal and informal feedback from the students in the following process.

Formal

- Class Committee Meeting – Collected twice (before the two internal assessments)
- Online Feedback about Course -Collected twice (mid-semester and end of the semester)
- Feedback about the facilities- Collected once in a year

Informal

- HOD's meeting with Students
- Principal's meeting with Students
- Dean (Student Affairs) meeting with Students
