KCG COLLEGE OF TECHNOLOGY

KCG College of Technology was established in the year 1998 to fulfill the Founder-Chairman's vision of "Making every man a success and no man a failure". The campus is beautifully landscaped in a lush green stretch of land spread over 50 acres at Karapakkam, about 10 km from Adyar on the Old Mahabalipuram Road (Rajiv Gandhi Salai), the IT corridor of Chennai. The college is affiliated to Anna University, Chennai and it offers B.E/B.Tech Programmes and M.E. Programmes in various Engineering disciplines

DEPARTMENT OF MECHANICAL ENGINEERING

The Department of Mechanical Engineering offers

- i) B.E Mechanical Engineering,
- ii) M.E.- Engineering Design
- iii) M.E - Manufacturing Engineering and
- iv) PhD/M.S - Mechanical Engineering Stream

The Department has been given permanent affiliation from Anna University and it is also accredited by NBA (National Board of Accreditation). The Department of Mechanical Engineering is recognized as a Research Centre by the Anna University, Chennai. The Department has highly qualified and dedicated faculty members and good ambience for research in the areas of Machining and Metal Cutting, Materials, Tribology, Surface Engineering, Alternative fuels, and CAD/CAM/CAE. The Department has conducted many workshops, faculty development programmes; short term training courses besides undertaking AICTE funded projects and in house projects. Having MoU with NABL Accredited Metrology Laboratory and providing Industrial Training to all students.

ARMID 16'

The main theme of this conference is to provide a platform to explore the avenues available to do research in the field of Mechanical Engineering. This conference also creates opportunities for the participants to interact with the experts all over the country on to a common forum to discuss and share their innovative ideas on research and latest development in the frontier areas of Mechanical Engineering.

TOPICS

- ☑ Manufacturing Processes.
- ☑ Advances in Thermal Engineering.
- ☑ Computational Fluid Dynamics.
- ☑ Composite & Smart Materials.
- ☑ CAD/CAM/CIM.
- ☑ Recent Trends in Automotives.
- ☑ Innovation in Industrial Engineering.
- ☑ Material Science & Processing
- ☑ Optimization and Modelling Techniques.
- ☑ Neural & fuzzy Logic in Mechanical Engineering Applications.
- ☑ Any other challenges to Mechanical Engineering.

SPONSORSHIP

Exhibition Cum Sponsorship are encouraged and invited to exhibit their products at our campus during conference sessions to showcase their products and services. Agencies are also invited for being co-sponsors for ARMID-16'.
