Dr P Deivasundari takes charge as the Principal of KCG College of Technology

Dr P Deiva Sundari has a Doctorate in Power Electronics from College of Engineering, Guindy and Masters in Power Electronics & Drives, with university rank from Anna University, Chennai. She is also a BE(EEE) Gold medalist from Madurai Kamaraj University. Dr Deiva Sundari has over 25 SCI indexed publications with a citation of over 350 and has done various funded research projects & consultancy in the field of Electrical Engineering from various government organizations like AICTE, DST, CVRDE, NIWE & International organizations like The Royal Academy of Engineering, UK. She has an overall academic & industry experience of 22 years in India and the US.

Awards and Recognitions to Our CEO and Director

- Dr Anand Jacob Verghese, Director and CEO, Hindustan Group of Institutions, is elected as the International Council Member Elect Elect (ICMEE), Y's Men's International.
- He has been awarded for his outstanding contribution to the Community by ICSI- International Chamber for Service Industry in the 7th Global Education and Skill Virtual Summit.

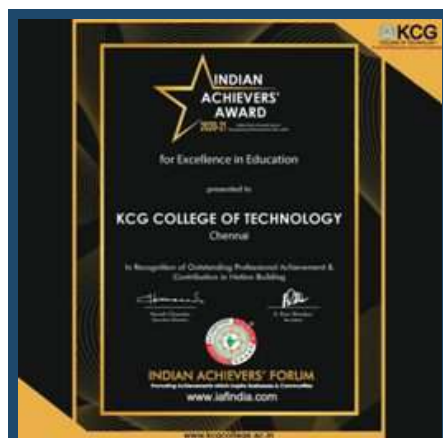

Institutional Rankings and Recognitions

- Awarded the Best Industry Academia Interface by ICSI- International Chamber for Service Industry in the 7th Global Education and Skill Virtual Summit.
- Recognised as the "Most Innovative Technology College in Tamilnadu" in Nation's Education Pride Awards 2021.
- Recognised as "The Emerging College for Fashion Technology Studies" in Fashion and Business Awards 20-21.
- Ranked 8th among All India Level Engineering Colleges including Government & Private, 18th among Private Engineering Colleges and 10th among the Engineering Colleges in South Zone.

- Recognized as Host Institute to setup and establish Business Incubator for implementation of the scheme "Support for Entrepreneurial and Managerial Development of MSMEs through Incubator" by MSME, New Delhi.
- Received Indian Achievers Award for Excellence in Education from Indian Achievers Forum
- Ranked 10th in Tamilnadu and 21st among all India Private Engineering Colleges by Education World.

- Received AICTE Distinguished Chair Professor. The Distinguished Chair Professor allotted is Dr. Manohar Lal Munjal from Indian Institute of Science (IISc) Bengaluru who will share his expertise with faculty and students through interactions and lectures.

CSR Activity Recognitions

YSC of Chennai Karapakkam received two Appreciation Awards under the categories Extension and Special Projects in the Ys Men International – Madras District Conference at Hotel Hablis on 24th April 2021.

Rotaract Club of the college was recognised for being A Pillar of Support and was awarded during the Annual District Rotaract Conference 20-21.

MoU Signing Ceremonies

- KCG Technology Business Incubator (KCGTBI) signed an MOU with My Assessment. Mr Saravana Prakash, Founder, My Assessment exchanged incubation agreement with Dr Annie Jacob, Director KCG College of Technology.
- KCG College of Technology signed MoU with Exerter Premedia Services on 21st January 2021.
- Department of Civil Engineering signed with National Centre for Coastal Research (NCCR) on 22nd January 2021.
- School of Fashion Technology signed a MoU with M/s. Thanuja's Exim, Chennai on 24th March 2021.
- Department of Electronics and Communication Engineering signed a MoU on 1st April 2021 with Tesla Minds Chennai, a core company specialised in RF and Antenna design.
- School of Fashion Technology has signed a MoU with FLEXOL Packaging (India) Limited, A subsidiary of TVS Logistics Services Limited, Chennai on 23rd February 2021.
- The college has signed a MoU with Sand Bird Team and incubated it with KCGTBI
- NSDC CoE on Renewable Energy of KCG College of Technology and Department of EEE signed a MoU with Inforce Engineering Solutions on 5th Apr, 2021.
- The college signed a MoU with Korean Cultural Center in India on 13th April 2021.
- MoU was signed with Russian House on 12th May 2021 in the presence of Mr Gennadii A Rogalev, Deputy Representative of Rossotrudnichestvo in India, Director of the Russian Centre of Science and Culture, Chennai.

College Day Celebrations

22nd College Day was celebrated on virtual mode on 30th December 2020. RJ Bharath, Radio Jockey- Radio City FM and official MC of Chennai Super Kings was the chief guest. The principal presented the Annual Report. The top performers of each department and the eminent students who brought laurels to the institute in multifarious levels were felicitated by Dean-Student Affairs.

Pongal Celebrations

Pongal, the harvest festival, was celebrated on the campus on 13th January 2021. The celebration witnessed lot of fun and games.

Republic Day Celebrations

Dr P Deivasundari unfurls the National Flag on the campus on the occasion of the 72nd Republic Day

International Women's Day was celebrated on 6th March 2021 on virtual mode. Department of Fashion Technology organised a Tie and Dye Workshop. Dr Annie Jacob, Director, KCG College of Technology moderated a fireside Chat with Ms Asha Mathen, Director, IIFL Wealth & Investment Management. A panel discussion "Straight from a Mother's Heart on Achieving Equal Future: Aspirations and Concerns for our Daughters" was held. Dr Anita Manuel, Dean Student Affairs moderated the session and the points raised by the mothers of girl students were thought provoking.

Women's Day Celebrations

AzadiKaAmritMahotsav

Office of Student Affairs conducted AzadiKaAmritMahotsav, an Awareness Campaign on Tamilnadu Election 2021.

AICTE and CSI Sponsored Online Short-Term Training Program (STTP)

The phase 2 of AICTE and CSI Sponsored Online Short-Term Training Program (STTP) on "Incorporating the techniques of Block Chain & Artificial Intelligence to face the security and privacy challenges of IT infrastructure – Research Approach" was conducted from 14th to 19th December 2020 by Department of Information Technology. A total of 102 faculty members from different Engineering colleges and select 15 IT students of KCG College of Technology registered for the programme.

Mr. M. Senthil Kumar EISA, CSO & CSA – Wipro Technologies, Chennai; Dr. Ebenezer Isaac Data Scientist, Global Artificial Intelligence Accelerator (GAIA); Mr. B. Prasath Software

Architect, Medusind Solutions; Dr. Rizwan Ahmed Chief Technology Officer, Delaplex, Nagpur; Dr. T. Ruso Associate Consultant, Wipro technologies; Mr. Shubham Sahai Researcher, Microsoft Research, India, & IIT Kanpur; Mr. T. Ramkumar Project Manager, Aditi Software, Hyderabad; Mr. Arjun Vijay Co-Founder and Chief Operating Officer (COO) of Giottus Cryptocurrency Exchange Chennai; Mr. Intisar Mehdi Director, Synchronism Solutions Pvt Ltd, Hyderabad; Prof. Shekhar Verma Dean, Department of IT, IIIT Allahabad; Dr. S. Venkatesan Associate Professor Indian Institute of Information Technology Allahabad; Dr. Lakshmana Kumar Ramasamy Assistant Professor, Hindustan College of Engineering and Technology, Coimbatore were the resource persons.

Department of ECE organised AICTE Sponsored One Week STTP on IoT Powered Solutions for Health Care Innovations from 15th to 20th March 2021.

Consultancy, Project Work and Research

Dr. Karthikeyan, HoD-EIE has got a 3.25 lakh Consultancy Project titled 'Power Converter Development for Electrocoagulation' from Zero Discharge Technologies, Coimbatore.

Dr. Dhanalakshmi R, Professor-CSE and Dr. R. Praveen Joe, Associate Professor-CSE have been granted patent for their invention titled "Profile Based Digitalization of Medical Records in Cloud".

Dr. S. Sankar, Professor-CSE has been granted patent for their invention titled "Aqua Life: A Compact Device Extracting Drinkable Water from Sea Water". Congratulations.

Dr. Clement Raj, Faculty - Department of Electronics and Communication, has published a research article

"Engineering Electrode/Electrolyte Interfacial Properties of Nanotube Arrays for High-Capacitance Super Capacitors" in the Journal of Materials Science: Materials in Electronics, Springer Publisher. The journal is indexed in SCI, Scopus and Annexure-1, UGC-CARE list and has an impact factor of 2.2.

Dr. R. Dhanalakshmi, Professor of CSE has been selected as the Guest Editor of the special issue on Machine Learning for Cyber Security.

Dr. Lakshmi Pathy, Assistant Professor of Chemistry has been appointed as Lead Editor for a special issue on "Nanomaterials for Sustainable Development: the UN 2030 goals" which will be published in the Journal of Nanomaterials, a SCI and Scopus indexed journal with an impact factor of 1.98.

IDEATHON'21

Office of Students Affairs conducted "Ideathon 21", an event to help young talents generate fresh solutions to existing challenges, on 1st May 2021. Presentations were made on the five domains - Green Technology, Assistive Technology, Pervasive Computing, Home Automation, and Future Aviation and Space Exploration.

CSR Activities

- Dr KCG Verghese Charitable foundation has bought oxygen concentrators with 5lt flow and O2 cylinders are kept at Smart Vision Clinic, Adyar to help those in need.
- A special prayer meeting for universal wellbeing was conducted in virtual mode on 2nd May 2021.
- As a CSR initiative, groceries and provisions for the month of May was supplied to ARK Orphanage.
- 2 lakhs on behalf of Dr KCG Charitable Trust and Rs. 25,000 on behalf of Y's Men Charitable Trust was donated to Adyar Cancer Hospital by our Chairperson and our CEO.
- Y Service Club of Chennai Karapakkam and YMC of KCG College Youth in association with YsMenettes Club of Mylapore distributed grocery kit with 10 items to the underprivileged and needy.
- As a CSR initiative, a session on the topic 'Bird Feeder' was arranged in association with Bhumi, an NGO, on 22nd May 2021.
- Y's Service Club of Chennai Karapakkam and Y's Men's Club of KCG College Youth in association with the college organised COVID 19 Vaccination through Chennai Corporation as staff wellness programme.

Y's Men International Madras District Dr KCG Verghese Memorial Badminton Tournament was held on 7th March 2021. Ys Service Club of Karapakkam won the overall trophy.

Foreign Language Courses Online

- Korean language class commenced from 13th April 2021.
- Russian Language class commenced from 7th May 2021.

Student Personality Development Series

The student counsellor of the college conducted a series of lectures with the view to developing the overall personality of the students. A session 'Who am I? ' was conducted on 2nd January 2021. The session stressed the importance of understanding one's strengths, weaknesses, passion and abilities.

A sequel to this session was the session 'I am Special' conducted on 9th January 2021. It highlighted on ranking one's abilities and understanding one's unique selling points.

Alumni Series

A lecture on the topic "Expectations of industry and empowering with knowledge" was arranged for first year students on 7th January 2021. Our alumnus Mr. K Suresh Krishna, 2019 Mechanical Batch, Co-Founder- Dot and Dash Engineering, Data science Intern, Learnbay (IBM) was the speaker.

Knowledge Series

- Department of Fashion Technology organised a session on 'The Versatility of the Fashion Field-Connecting the Dots from Fashion to Indian Economy' on 9th January 2021. NishaNujumudeen, Assistant Professor-Economics, Hindustan Institute of Technology & Science; Miss India International Kerala 2019 (1st Runner UP) and Top UPSC Faculty @ Unacademy was the resource person.
- Department of Aeronautical Engineering organised an International Panel Discussion on "Challenges for the Start-ups in Aerospace Industry" on 20th January 2021.
- Department of Fashion Technology organised a webinar on "Career Opportunities in the Government Sector – Versatility of Fashion Field" by Dr CPrakash, Director, Indian Institute of Handloom Technology, Ministry of Textiles, Govt. of India, Fulia, Nadia, West Bengal, on 23rd February 2021.
- Department of Science and Humanities organised a webinar on "Mysteries of the Universe Known or Unknown" on 28th February 2021 on account of National Science Day. Dr Ebenezer Chellasamy Edwin Head - Kodaikanal Solar Observatory, Indian Institute of Astrophysics was the chief guest.
- Department of CSE organised a Guest Lecture on "In Assistive Technology" on 13th March 2021. Ms Kalaiselvi V T, Technology Officer, All India Institute of Speech and Hearing, Mysuru was the resource person.
- Department of Mechanical Engineering arranged a guest lecture on "Sneak Peek into Artificial Intelligence in Automotive Industry on 24th March 2021. Mr K Venkataraj, Deputy Director General, SAEINDIA, Chennai was the resource person.
- Department of Automobile Engineering conducted a One Day Hands on Training on Two Wheeler on 27th March 2021.

- Department of Automobile Engineering organised a one week course for first batch students of Automobile Engineering with Bosch.
- Dr Asad Ahmed, Associate Professor, Department of Aerospace and Aeronautical Engineering delivered a session on "National Education Policy 2020" on 27th March 2021.
- The Higher Education Cell of the college conducted a workshop on "SOP Writing" on 27th March 2021. Mrs Vasudha Muralikrishna, Manager Campus France, Hyderabad and Mrs Rhea Cheryl Shivan, Manager Campus France, Chennai were the resource persons.
- Department of CSE organised a guest lecture on "Software Testing" on 31st March 2021. Mr Jones Peterson, Senior Project Manager, Sirahu Technologies was the speaker.
- Department of Mechanical Engineering arranged an Orientation Programme on Industry Certified Skill based Training, a 30-day training, for final year Mechanical Engineering students on 31st March 2021. The orientation was given by personnel from Mahindra Pride School.
- The college in association with Russian House in Chennai and Valles Marineris International, India organised a webinar- Russian-Indian Space Exploration Projects: the Review of the Past and Thoughts for Future Dedicated to the 60th anniversary of Yuri Gagarin's First Flight into Space.
- KCG-Indian Innovation Council team conducted a webinar on "Building an Innovation/ Product Fit for the Market" as a part of start-up series on 17th April 2021. Mr.Balamurugan S. P, Co-founder of GUVI was the speaker.

- KCG in Collaboration with Russian House in Chennai organized an open lesson on "The Amazing Facts about the Role of Russian Language in Space" by Valentina Mayorava, Head Russian Language Courses and Evgeniya SolovChuk, Russian Language Teacher on 21st April 2021.
- A webinar on Intellectual Property Rights (IPRs), International Filing procedures, Policies and IP laws was conducted on the occasion of World Intellectual Property Day on 26th April 2021.
- Department of Automobile Engineering organized a webinar on Career Guidance for Higher Education for final year diploma students on 29th May 2021.
- Research Cell of the college organized an International Research Webinar Series on Topic "Light weight material and novel manufacturing techniques used in Automotive field" on 31st May 2021. Dr. Catalin Pruncu, Advanced Forming Research Center, University of Strathclyde, Glasgow, UK was the speaker.

Leadership Excellence Series

KCG Leadership Excellence Series I, Resistance Vs Resilience: A way forward, specially designed for school principals and senior faculty of schools was conducted on 20th and 21st May 2021.

Student Empowerment Programme

- Department of Science and Humanities organised Student Empowerment Series on
- Goal Setting and Attainment on 31st March 2021 for the first year students. Ms Deepa Gangadharan, Happiness and Life Coach, Speaker co-Lead, Campus to Career CII IWN was the speaker.
- Coping with Stress on 5th April 2021. Ms SavithaSriram, Coordinator, SCARF-cities, Rise youth project was the resource person.
- Overcoming Phubbing& Building Interpersonal Skills on 9th April 2021. Ms Jacqueling Gun Chin Hun, Senior Lecturer, Sunway University was the resource person.
- Critical Thinking on 10th April 2021. Mr George Koshi, AGM-Head of Learning & Development, Hyundai Motor India Limited was the resource person.

Topper's Talk

- Our Distinguished Alumnus, Mr BackiaGautam, AIR 178 -CAPF gave a talk on "How to Prepare for UPSC Exams" on 21st February 2021.
- Office of Student Affairs of the college arranged a talk on 3rd April 2021 with Ammu J IRS, Assistant Commissioner of Income Tax on "Effective Strategies to Crack UPSC Exam"
- Topper's Talk, a session with Civil Service Officers - Mr S Premkumar IDAS & MsC.Aarthi IDAS- was arranged on 1st May 2021.

Voice of the Start-ups Series

The Voice of the Start-ups Series II - An interactive session with the successful start-up founder Ms.Mekhala, Director, Soliton Technologies Pvt. Ltd. was arranged on 22nd May 2021.

Staff and Students Wellness Programme

A session "Our Health in Our Hands", was arranged on 21st May 21. Yoga Kalaimaamani P Krishnan Balaji was the resource person.

School Connect Programmes

- Department of Information Technology organised 'The Great Hack 4.0' on 18th and 19th January 2021.
- Department of Fashion Technology organised a "Tall Story Contest" on the theme "My Smart Garment" for school students from VI to XII standard on 25th January 2021.
- Department of ECE conducted a Quiz Competition for school students of Class XI and XII (Science Group) from 22nd to 29th January 2021.
- Departments of Aeronautical Engineering and Aerospace Engineering organised SIRUS, an inter-school competition on 27th Feb 2021 for students of classes from X to XII.
- Department of Civil Engineering organised TECH FEST 2021, a National Level Online Contest for Higher Secondary Students from 25th to 27th February 2021.
- Department of S&H conducted a National Level Online Quiz for XI and XII standard students from 28th February to 7th March 2021.
- Department of Science and Humanities conducted 'Blogathon 21' as a part of School Connect Programme.
- Department of Automobile Engineering conducted a National Level Quiz Competition on "Automobile" for Polytechnic students on 1st May 2021

Club Activities

- KCG Toastmasters Club organised an Educational Session on Pathways, Toastmasters New Education Program on 2nd February 2021. DTM Sateesh Kumar, Asst. Vice-President, Quality Assurance in INDIGRID Limited, Mumbai and President- Meraki Toastmasters Club was the speaker.
- KCG Toastmasters Club and KCG Youthmasters Toastmasters Club organised a Toastmasters Orientation Programme for first year students on 22nd February 2021. TM Dinesh Balaji, Area Director F1 and TM Prasad were the guests.
- KCG Women's Coding Club organised Women Codeathon 3.0 on 27th February 2021. Ms Pavithra N of IV CSE won the first place; Ms Mahalakshmi B, Ms Ellora Suji N and Ms Rajeswary M of III IT won the second place; and Ms Lavanya P, Ms Anu Abarna B of III IT won the third place.

KCG Toastmasters Club and KCG Youthmasters Toastmasters Club

Toastmasters Club Orientation Programme

Time : 7 pm - 8 pm
Date : Monday, 22nd February 2021
Platform : Online

SPEAKERS

TM Dinesh Balaji
Asst Lead engineer
Area director - F1
President of Vistara Toastmasters Club

TM Prasad Brahma
Entrepreneur and Entertaining Speaker

Student Achievements

- Sandbird, the start-up by our students Mr S Bala Surya and Ajith Kannan attracted the attention of the Jury of AWS Grand Challenge 2020, a challenge to promote student entrepreneurship.
- Mr Karan Sanjeev Nair, student of II CSE, has got selected for Corona Safe Engineering Fellowship Programme.
- The brightest minds behind the three projects that got shortlisted in National Innovation Contest 2020 are selected for training and innovation by Ministry of Education's Innovation Cell, Government of India.
- Students of Information Technology, Muzzamil, Staffin, Antonyraj, Logith, participated in a 5-day Analyze Case Study Event conducted for the PALS Partner Institutes and won a prize for their case study titled "Airport Passenger Feedback System".
- Ms Menaka of III CSE and Hemavarthini of III FT have won Special Recognition Award in The 2021 Seoul International Meditation Festival Art Exhibition.
- Ms Ramya of III CSE, Ms Swetha Sree of II CSE, Mr Suraj of III EEE have won the 96 hour Challenge, PALS-Nexgen 3D hackathon, for the Software Case Study 2 - Develop software to automate the inventory and shop of a 3D Printing product company. Following is the link for the website developed by them <http://ez3dprint.store/>
- Our students won the silver prize in KPIT Sparkle 2021 Innovation Contest. They designed a semi-autonomous electric tractor that reduces operation cost by ten times with home charging.
- Students of Information Technology, Muzzamil, Staffin, Antonyraj, Logith, participated in a 5-day Analyze Case Study Event conducted for the PALS Partner Institutes and won a prize for their case study titled "Airport Passenger Feedback System".
- Ms Menaka of III CSE and Hemavarthini of III FT have won Special Recognition Award in The 2021 Seoul International Meditation Festival Art Exhibition.
- Mr Mohamed Rizwan of II EEE, Ms Sneha Raj and Ms Poovizhi of II CSE, Mr Karthik and Ms Elakya of III CSE, Ms Pooja Rajasekharan of IV ECE, Mr Surya Bharath and Ms Thanuja of III FT have got selected for the five week internship with International Model United Nations (MUN)

- Five of our project teams have got shortlisted for AICTE ChhatraVishwakarma Award
- Pineapple Leaf Fibre Extraction, mentored by Dr. Bhanu Rekha, Professor and Head Fashion Technology and Dr. M Vignesh Kumar, Assistant Professor Mechanical
- Mango Seed Decorticator, mentored by Dr. M Vignesh Kumar, Assistant Professor Mechanical
- Safety Taser, mentored by Mr. S Gowtham, Assistant Professor EEE
- Smart Sentry, mentored by Dr. Deepa Jose, Associate Professor ECE
- Smart Mental Health Analyst, mentored by Dr. T Anuradha, Professor & Head EEE
- Students of Fashion Technology- Mr Nitheesh, Mr Naresh S P, Mr Surya Bharath- have secured second place for their project titled "Pineapple Leaf Fibre Extraction Machine for Sustainable Development in VISAI Project Competition conducted by Vel Tech Rangarajan Dr. Sagunthala R&D Institute of Science and Technology, Chennai.
- Our students, Mr Nithish P of Mechanical Engineering, Ms Swathi P of ECE, Mr Surya Bharath of Fashion Technology and Ms Hemamalini J of ECE participated in INDInnovate 2021 on virtual mode conducted by Indore Entrepreneurs Network, ACROPOLIS Institute of Technology, and ACROSPACES and won second place. They were awarded a cash prize of Rs. 21,000/-
- Our student team- Mr Nitheesh P of Mechanical, Mr S Naresh of Mechanical, Mr Raghul K of Mechanical, Mr Felix Remigius M of Mechanical, Mr Surya Bharath of Fashion Technology, Mr Swathi P of ECE and Mr Hemamalini J of ECE participated in YOUTHZEST 2021 organized by the Indian Institute of Project Technology and won first place with a cash prize of Rs. 25,000/-
- Surya Bharath of III Fashion Technology and Zubair of II Aeronautical Engineering participated in the Indo Universal Collaboration for Engineering Education (IUCEE) NEP Student Competition 2021 and won first and second place respectively.
- Two student teams of the college have been selected for the final level competition of the 4th AICTE ChhatraVishwakarma Awards 2020.
- Our students, Mr Sheikh Mohammed of IV ECE, Mr Surya Bharath of III FT, Ms. Yuvashree R M of III ECE, Mr Karan Sanjeev Nair of II Year CSE and Ms Neena P S of I IT have been selected as Campus Ambassador for Cisco.
- Our students, Mr Surya Bharath of III Fashion Technology and Felix Remigius of IV Mechanical Engineering participated and won Best Idea Award in the Innovism 2.0-India Virtual Innovative Symposium organised by AGIIT of Axis Global Automation and Nandha InfoTech with the support of Annamalai Innovation and Incubation Research Foundation.
- Two projects by our students under the theme "Gender-Responsive Mechanism to Combat Domestic Violence" have got shortlisted for the next round in the AICTE CHATTRA VISHWAKARMA AWARDS 2020.
- Mr Naresh Kumaran, Mr Sharath, and Mr Stany of Mechanical Engineering, under the guidance of Dr. M Kannan, Professor, Department of Mechanical Engineering, have converted a commercial bicycle into an electronic bicycle to overcome the issue of pedalling longer distances.
- Two Projects, 'Smart Farm Marketing' and 'You We Safe - UV Sanitation in Cars' by our students have been selected for the next phase of the competition Technology Infusion Grand Challenge Asia. - La Trobe University.
- Our student team, Harish R (Mech 3rd year), Monneshvar S (Mech 3rd year), Aravindhan S (E&I 3rd year), Dhanushaa N (Mech 2nd year), Thanuj R (Automobile 2nd year), Kathiresk (Mech 3rd year) and Saravanan Bhavya (ECE 1st year), won second place in the Pitch-A-Thon E Summit competition organized by Entrepreneurship Cell, Sastra University on 18th April 2021.
- KCG Alumnus, Uday Ogra, has created a simple application which lets you know (within few seconds) the vaccination slots available in any hospital in your city. Do give it a try if you want some help in booking vaccination slots at <http://vaccineslot.in>

- NCC Company of the college has won 8 prizes in the intercollegiate NCC Fest organized by DG Vaishnav College. The company won overall third position in the competitions conducted. The list of the winners is as follows:
 - Samarvir - CsuoNitin Nair N(Gold Medal)
 - Best Right Marker, Contingent Drill- 1.Csm Rishwanth M S
 - Best Cadet- CdtDimpalKumari(Bronze Medal)
 - Maitreyi- CdtSai Vishnu Prasath(Gold Medal)
 - Individual Drill -Lcpl Amar Vishnu and LcplNanthine T(Gold Medal)
 - Quiz- CdtJanani (Silver Medal)
 - GK And GSK- CdtAnu S(Bronze Medal)

KCG bagged Founder's Trophy in the inter-institution Badminton Tournament held on 10th April 2021.
