### Online Training Programme by NEN

About 30 students attended a MOOC course offered by NEN to explore the importance and viability of entrepreneurship before embarking on their journey to become successful entrepreneurs.

### TIECON 2015

Mr.DoraiThodla, Dr.Sumathi Poobal, Dr.Rosy Fernando, Dr.P.Deivasundari, Mr.S.Ramanayagam, Mr.R.V.Sankar, Ms.R.N.Sharamila and Ms.Jayashree attended TIECON 2015 on 31 Oct'15.

### i-cell

#### 'MIT Scratch Software'

Mr.DoraiThodla, conducted a course on 'MIT Scratch Software' for KCG Programming Club students on 22 and 23 Aug'15.

### YMC 2015

Young Mind Challenge 2015 - a joint initiative by IET and i-cell and designed to identify innovative research projects to provide funding was organized on 29 Sept'15 in KCG College of Technology.

YMC 2015 aimed at encouraging students to implement their creative and innovative ideas and prepare students for the professional, digital world. Mr. DoraiThodla, Founder & CEO, iMorph Inc. and Dr.Sumathi Poobal, Vice-Principal, KCG College of Technology officiated as judges.

## IEDC ACTIVITIES AT KCG

Session on the Importance of Trees by KCG Students

### E-cell

#### Walk a Plant - To Save Environment

KCG IEDC joined hands with COWE to conduct a Plant Walk on 27 July'15 in Karapakkam Government School. Medicinal, flowering and ornamental plants were carried to commemorate Plant Walk Day. This was followed with a session about medicinal uses of each plant, the flowering seasons, climatic effects and transformation from flower to fruit in order to create awareness about the importance of plants. The session ended with a drawing competition on the theme "Importance of Trees".

#### Entrepreneurship Awareness Programme by NSIC Technical Services

An awareness programme on entrepreneurship by Mr. Arun Prabakar and Mr. Sampath Kumar of National Small Scale Industries Corporation was organized for all Final Year students on 21 and 23 July'15. They also provided information about the different schemes and programs provided by the Government of India for micro, mini and small scale business.

#### Why Waste Waste?

An awareness talk on 'Waste Management and Waste as Resources' was conducted in association with COWE on 11 Aug'15 by Dr.Mangalam Balasubramaniam, Socio Environmentalist and President, COWE. About 40 student members of KCG-COWE attended this session.

#### Startup Walk

Mr.R.V.Sankar (S&H) went on a Startup Walk on 18 Aug'15. The objective was to check out for space, meet the founders and get a behind-the-scene look at the most innovative companies in Chennai.

'Meet-up for the Student Entrepreneurs' conducted by NEN was attended by Ms.Divya.S (IV EIE) on 19 Sept'15.

### Webinars by NEN

#### Students attended webinars on:

- Student Onboarding FY 15-16 on 29 July'15
- 'How to Facilitate Blended MOOCs' on 3 Sept'15
- '5 Things I Wish I Knew Before Starting up' on 10 Sept'15
- 'Should I Worry About My Business Model or Business Plan?' on 9 Oct'15

Students Presenting their Projects in YMC 2015

### Apps for Chennai

40 students from III and IV year CSE, IT, ECE, EEE and EIE attended a lecture on Apps Development.

6 teams registered their ideas for Apps for Chennai on 15 Aug'15.

Dr.SumathiPoobal, Mr.S.Ramanayagam, Ms.Shiny and Ms.Sonia attended the finale of Apps for Chennai at IITM Research Park, Chennai on 8 Oct'15.

### Ingenious 2015

Eight students interned with the event management team of Times of India, at Ingenious 2015- an inter-school competition, conducted at KCG College of Technology on 30 Oct'15. Innovative projects of students from Mechanical, EEE and EIE departments were displayed and demonstrated for school children.

### In 50 Hours

Kishore. K. J and G.V. Pranay Naidu (both from IV CSE) participated in the "In 50 Hours" competition organized from 21 to 23 Aug'15 in Bangalore and won the 3<sup>rd</sup> Prize. A cash award of Rs. 25,000 and the MediaTek IOT Prototyping Kit worth Rs. 15,000 was also won by them.

### ACM ICPC

Five teams participated in Asia Chennai First Round Online Programming Contest (2015) held on 28 Oct'15.

### Elecrama-2015

Four student teams have submitted their innovative projects for Elecrama- 2015 organized by IEEMA

In 50 Hours- Prize Winners

## KCG - HIGH PERFORMANCE COMPUTING CLINIC- INAUGURATED

Two scientists, Dr. R. Krishnamurthy and Dr. K. Anandhanarayanan, Directorate of Computational Dynamics, DRDL, Hyderabad, inaugurated KCG - HIGH PERFORMANCE COMPUTING CLINIC and delivered lectures on Computational Fluid Dynamics for Flight Vehicles on 18 Sept'15 for all Aeronautical and a few Mechanical students and staff.

The aim and objective of the club/ Clinic are:

- to enable students and faculty to learn about the various application of computational tools
- to encourage them to pursue projects in their area of interest
- to develop expertise in the field of computing
- to create a platform for knowledge enhancement and to discuss the recent trends and advancements in deep computing.
- to focus on research programs and projects with a span of 20 weeks to 3 years, and
- to accelerate the Industry-Institution- Interaction thereby creating a research collaboration.

The inauguration was followed by a guest lecture on the basics and applications of CFD to Flight Vehicle configurations, the codes developed in DRDL for analyzing various missiles geometries and on the application of CFD to store separation and moving grids. The ingenuity and initiative shown by the students were deeply appreciated by the scientists

## KCG E-YANTRA ROBOTICS LAB

Project e-Yantra is an initiative to spread education in Embedded Systems and Robotics by IIT Bombay and sponsored by Ministry of Human Resource Development through the National Mission on Education through ICT (NMEICT). The objective of e-Yantra is to provide hands-on learning to engineering students, creating the next generation of engineers in India with a practical outlook to take on challenging problems and provide solutions.

KCG College of Technology is a member of e-Yantra and has set up a state-of-the-art laboratory under the e-Yantra Lab Set-up Initiative (eLSI). The KCG e-Yantra Robotics Lab trains students in embedded systems and micro-controller programming by engaging them through the Project Based Learning (PBL) mode.

The KCG e-Yantra Robotics Lab offers a Certificate Course in Robotics & Embedded Systems. It is an 18-hour course (3 days) culminating in a project competition. The course for the first batch of 18 students from the Mechanical Engg. and E&I Departments was conducted on 14, 15, 16 July'15 and the second batch of 26 students from the ECE and E&I Department was conducted on 21, 22, 23 July'15. The students were evaluated through a project assigned to teams of up to 4 students each on the last day.

### Prize Winning Team of Batch I were

1. Joseph George (II ME)
2. G. Vishnupriya (II ME)
3. A.R. Vishnuvardhan (II ME)

### Prize Winning Team of Batch II were

1. Simerna Jayanthi Sushil (III ECE)
2. Vaanil (III ECE)
3. Vani Kumjamma U.S (III ECE)

Students at Work in E-Yantra Lab

A seminar on Recent Trends in Robotics along with a visit to HITS Centre for Automation and Robotics, Industrial Robotics Lab was organized on 28 Aug'15 for all students who had undergone training under the KCG e-Yantra Robotics Lab.

## KCG STAFF WIN ACCOLADES & APPRECIATION

### STAFF ACHIEVERS

- **Dr. DeivaSundari.P (EEE)** received Confederation of Education Excellence Teacher's Award 2015, in Tech fest organized in Sept'15.
- **Mr. Arul Kishore (MECH)** won 1st Place in Humorous Speech Competition, in the Fest organized by Toastmasters International.

### MOUs

MoUs Signed with NIWE (National Institute of Wind Energy) and NASSCOM (National Association of Software and Services Companies) would result in fruitful outcomes in the form of Guest Lectures, Student Projects, Internships, Consultancy Works, Research and Development Projects, Field Visits and Training Programmes - in fact in all academic and research activities.

# PROUD MOMENT FOR KCG

It is our pleasure to inform that our Director & CEO Dr. Anand Jacob Verghese has been elected unanimously as Chairman of the Aeronautical Society of India, Chennai Chapter for a period of two years in the Annual General Body Meeting held on 10<sup>th</sup> July'15.

**Dr. Anand Jacob Verghese**

Director & CEO, HGI

Chairman, Aeronautical Society of India, Chennai Chapter

**Dr. Annie Jacob, Director KCG**

Eminent Woman Entrepreneur in Education

## Edupreneurs 2015

was organized by Times Group of India on 9<sup>th</sup> Oct'15, at The Leela Palace, Chennai, to recognize the Change Makers of Education and to celebrate the vision of eminent men and women who have made Tamil Nadu an Educational Power House.

There were three categories of awards to acknowledge and applaud the contribution in education.

They were

1. Exemplary Commitment and Impactful Positive Contribution to Education
2. Eminent Women Entrepreneurs
3. Torch Bearers

It was a moment of pride for KCG when our Director, Dr. Annie Jacob received the award of Eminent Woman Entrepreneur in Education, from Dr. Kiran Bedi, Retd. IPS Officer and Founder of Navijoti and India Vision Foundation, for imparting education through innovative methods.

## MECHAMORPHIS'15 V2.0

MECHAMORPHIS '15 V2.0 - National Level Technical Symposium was organized by the Department of Mechanical Engineering on 22 Aug'15. The Chief Guest for the Inaugural Function was Dr. Ramakrishnan. M, CTO, Sriram SEPL Composites Pvt. Ltd. and Mr. Pradeep Kumar, Manager - Inventory Control, Ford India was the Chief Guest of the Valedictory function. Various events like Paper Presentation, Technical Connexions, Auto Quiz, RC Cars, Junkyard Wars, Water Missile, Project Presentation, CAD Modeling, Real Engineers and Mechanical Triathlon were organized and conducted by the student co-ordinators and assisted by staff co-ordinators. There were about 350 registrations from various engineering colleges from Tamil Nadu and other neighboring states and cash prizes were given to winners. The symposium was a learning experience for the students in managing, coordinating and organizing events.

Mechamorphis '15- Inaugural Session

**CASTELLATE 2K15** - a national level technical symposium was organised by the Department of Civil Engineering, KCG College of Technology on 29 Aug'15. The objective of the symposium was to help students exhibit their talents and research skills and provide them with a platform to enhance their knowledge on the current trends in the field of civil engineering. The chief guest, B. Rajasekaran, Senior Consultant from M/S. Avant-garde, inaugurated the event. The many technical events organized by the department during this event were: Paper presentations, Poster Presentation, Tech Quiz, CADDERZ, REVITZA, Model Making, Confloater and Ready to Fall. Around 200 students from 30 colleges like Velammaal Engineering College, SSN College of Engineering, MNM Jain Engineering College, Jerusalem Engineering College and Hindustan University participated in the technical fest.

## NCFTA15

A two-day National Conference on FUZZY THEORY AND APPLICATION-2015 was organized on 24 and 25 July'15 by the Mathematics Division, Department of Science and Humanities, KCG College of Technology. The Chief Guest for the inaugural function was

Dr. P.V. Subrahmanyam, Retd. Professor and Head, Department of Mathematics, IIT Madras. In all, there were 10 sessions, 65 papers were presented and 55 papers were published in Anna University Annexure II Journal (International Journal of Applied Engineering and Research).

## IETKCTECH

### ZONE 2 – IETPATW 2015

IETPATW is an IET's Presentation Competition that is arranged annually, for students, recent graduates, apprentices and young engineers aged 18 to 26. Here the individual competitors give a ten-minute presentation on engineering or technology related subject of their choice and are tested for their capabilities in Technical Presentations. Zone - 2 PATW (Present Around the World) 2015 was hosted on 24 July'15 by IET KCTECH on 24 July'15. There were 17 participants registered from 6 Engineering Colleges in Tamil Nadu - KCG College of Technology, SRM Easwari Engg. College, VIT University – Vellore Campus, SKR Engg. College, SMK Fomra Institute of Tech., and Mar Ephraem College of Engg. & Tech. Dr. Anita Manuel, Professor (S&H) and Dr. R. Dhanalakshmi, Professor (CSE) officiated as judges.

### WORKSHOP ON PROGRAMMING BASICS - REAL TIME JAVA

An IET Sponsored Two Days Hands on Workshop on Programming Basics - Real Time Java was organized on 21 and 22 Aug'15. The Resource Person was Mr. S. Thamarai Selvam, Associate Manager (Learning and Development Team), iNautix Technologies, Chennai. The IET members from Third Year CSE attended this workshop. The workshop exposed students to basics of JAVA, OOPS and JAVA, Multithreading Programming, AWT and Applets. Development JAVA programs with the concepts of multithreading, polymorphism, method overloading, method overriding and inheritance were also discussed with real time examples. The workshop provided a great opportunity for students to acquire knowledge in the basics of JAVA programming.

### WORKSHOP ON IoT AND CYBER SECURITY

An IET Sponsored two-day National Workshop on IoT and Cyber Security was organized on 18 and 19 Sept'15. The resource persons were Dr. R. Ramanujam, Department of Theoretical Computer Science, Institute of Mathematical Sciences, Mr. Syed Shamsudheen, Amazon Solutions, Dr. S. Swamynathan, Associate Professor, Dept. of IST, CEG, Anna University, Ms. Amrutha Ramesh, Cyber Security Analyst, IPOTEK Solutions Pvt. Ltd and Mr. Kalimuthu Venkatesan, Cyber Security Analyst, ABB Consultancy and Global Solutions Ltd. Topics covered were: IoT security, Applications of IoT, SQL Injection, Cyber Attacks and the consequences of these attacks, Network Introduction, OSI Layers in the Networks and attacks related to these layers, Social Engineering Toolkit, Phishing Attacks, Wireless Hacking Basics Demo and Web Server Fingerprinting.

### FDP ON CASE STUDIES IN WIND ENERGY CONVERSION SYSTEMS

Department of Electrical and Electronic Engg., organized a Faculty Development Programme on Case Studies in Wind Energy Conversion Systems on 30 Sept'15 to create awareness about the emerging areas in wind energy. Mr. J.C. David Solomon, Additional Director, NIWE addressed the gathering with his informative speech on R & D opportunities in wind farms and the scope for installation of small wind turbine in residential complexes. Dr. P.S. Mayurappriyan provided insight about solutions to overcome raw error and hub hydraulic problems. About 30 faculty members of EEE, EIE and Mechanical Engineering departments along with 10 M.E. (PED) students benefitted from the programme.

### NEWS FROM RESEARCH FORUM

- Project on Wireless Battery Charging for Electric Vehicles, funded by Hitachi Automotive Systems has been successfully completed by EEE department. The coordinator was Dr. Deivasundari, Professor and Head, EEE.
- Dr. R. Senthil, Professor and Research Group Chair, visited universities in the Seoul Republic of Korea to meet leaders in the higher education sectors, interact with colleagues from Japan and Thailand and also students from several outstanding Korean universities.
- Dr. P. Jayavel Director, Research, Anna University, visited KCG campus on 12 Aug'15 and delivered a lecture on Nanotechnology and its Importance.
- Dr. Ilavazhagan, Director, Research, Hindustan University, visited KCG every second week of the month between July 2015 and October 2015 to guide KCG staff in submitting their research proposals.
- Research proposals have been sent by the following faculty members
- Dr Andal (S&H) on Composites to DRDL Hyderabad.
- Dr. Rajapaul, Professor, (ECE) and Mr. Jose Anand (ECE) on WSN to ICMR, New Delhi.
- Dr. Lakshmipathy (S&H) on Chemical Sciences to DST, New Delhi.

## DETAILS OF PUBLICATIONS BY STAFF & STUDENTS

- **Ms. Renganayaki. G (ECE)** published a paper titled *Implementation of Reversible Logic Adder Circuits and Their Power Analysis* in the International Journal of Applied Engineering Research.
- **Dr. Deepa Jose (ECE)** published a paper titled *Reliability Improvement of Partitioned VLSI Systems for Fault Tolerance* in the International Journal of Applied Engineering .
- **Dr. Deepa Jose (ECE)** published a paper titled *Novel Class of Energy Efficient Universal Shift Register and Up/Down Counter* in the International Journal of Applied Engineering.
- **Mrs. D. Kavitha Balamurugan (ECE)** published a paper titled *Multi Application Antenna for Wi-Fi and Bluetooth for Better Dadiation Efficiency* in the International Journal of Scientific Engineering and Applied Science.
- **Mrs. D. Kavitha Balamurugan (ECE)** published a paper titled *Data Transmission Using Multiple Transceiver in Indoor Optical Wireless Communication* in the International Journal of Power Control and Computation.
- **Mrs. D. Kavitha Balamurugan (ECE)** published a paper titled *Brain Tumour Detection Using Fuzzy C Means Segmentation* in the International Journal of Power Control and Computation.
- **Mr. Syam Narayanan.S (AERO)** published a paper titled *Experimental Investigation of Effect on Coefficient of Lift Using Fixed to Flexible Winglets* in the International Journal of Applied Engineering Research.
- **Mr. Bairavel. S (CSE)** published a paper titled *Aspect Based Sentiment Analysis for Textual Reviews Using Probabilistic Aspect Ranking Algorithm* in the International Journal of Technology and Engineering System.
- **Mr. Bairavel.S (CSE)** published a paper titled *Aspect Based Sentiment Analysis for Textual Reviews Using Fuzzy C-Means Clustering Algorithm* in the International Journal of Applied Engineering Research.
- **Mr. Praveen Joe I R (CSE)** published a paper titled *A Study on Neural Network Models* in the APRN Journal of Engineering and Applied Sciences.
- **Ms.V. Hema (CSE)** published a paper titled *DoS Attack Detection Based on Naive Bayes Classifier* in the Middle-East Journal of Scientific Research.
- **Mr. Praveen Joe. I. R (CSE)** published a paper titled *A Decision Support System for Performance Analysis of Students Through Clustering* in the International Journal of Technology and Engineering System .
- **Mr. N. Loganathan (EEE)** published a paper titled *Demand Side Energy Management System Using ANN Based Linear Programming Approach* in the International Journal, IEEE Xplore.
- **Ms. Ramya.L.N (EEE)** published a paper titled *A Case Study on Effective Consumption of Energy Using Sensor Based Switching System* in the International Journal, IEEE Xplore .
- **Ms. M.Rathna Devi (IT) and Ms. A.Anju (IT)** published a paper titled *A Customized Task Scheduling In Cloud Using Genetic Algorithm* in the International Journal of Research in Engineering and Technology.
- **Mr. Sampath.R (IT)** published a paper titled *Alzheimer's Disease Classification Using Hybrid Neuro Fuzzy Runge-Kutta (HNFRK) Classifer* in the Research Journal of Applied Sciences, Engineering and Technology.
- **Mr. Sampath.R (IT)** published a paper titled *Alzheimer's Disease Image Segmentation with Self-Organizing Map Network* in the Journal of Software.
- **Ms. Geetha Lakshmi .M (S&H)** published a paper titled *Fuzzy Optimum Solution through Pascal's Triangle Graded Mean* in the International Journal of Applied Engineering Research.
- **Dr. Lakshmipathy (S&H)** published a paper titled *Metal Ion Free Watermelon (Citrulluslanatus) Rind as Adsorbent for the Removal of Lead and Copper Ions from Aqueous Solution* in the journal, Desalination and Water Treatment.
- **Dr. Lakshmipathy (S&H)** published a paper titled *Synthesis of Fluorescent Carbon Dots from Mango Peels* in the International Journal of ChemTech Research.
- **Dr. Lakshmipathy (S&H) and Mr. Jayaprakash N (S&H)** published a paper Titled *Agricultural Wastes as Low Cost Adsorbents for Sequestration of Heavy Metal ions And Synthetic Dyes from Aqueous Solution: A Mini Review* in the International Journal of ChemTech Research.
- **Dr. Kulasekaran(S&H) , Dr. Andal V(S&H), Dr. Lakshmipathy (S&H) and Ms. Jayanthi (S&H)** published a paper titled *Colour Removal Studies on Treatment of Textile Dyeing Effluent by Chitosan Modified Watermelon Rind Composite* in the International Journal of ChemTech Research.
- **Dr. Kulasekaran(S&H) and Dr. Lakshmipathy(S&H)** published a paper titled *Modification in Ph Measurements for Getting Accurate Ph Values with Different Ph Meters Irrespective of Aging and Drifts in the Meters* in the International Journal of ChemTech Research.
- **Mr.Vijaya Ragavan and Mr. Narasimhan (S&H)** published a paper titled *A Study on the Globalisation of Business in India by Fuzzy Cognitive Maps* in Advances in Fuzzy Mathematics.
- **Dr.Ramesh. S (MECH)** published a paper titled *Analysis of Lightweight Materials for Robot Manipulators* in the Australian Journal of Basic and Applied Sciences.
- **Dr.Ramesh.S (MECH)** published a paper titled *Micro Drilling Studies on Titanium Alloy Using Micro Electro Chemical Machining* in the Australian Journal of Basic and Applied Sciences.
- **Dr.Ramesh.S (MECH)** published a paper titled *Structure and Hardness of TiC Coating by Laser Cladding* in the International Journal of Applied Engineering Research.

- **Dr.Ramesh.S (MECH)** published a paper titled *A Mathematical and Neural Network Approach for Optimization of Cutting Force* in the International Journal of Applied Engineering Research .
- **Mr. Srinivasan.S (MCA)** published a paper titled *An Advanced Dynamic Authentic Security Method for Cloud Computing* in Annamalai Business Review.
- **Mr. Srinivasan.S (MCA)** published a paper titled *An Innovative Adaptive Method for Reducing Vulnerability and Flaws in Cloud Computing Environment* in the International Journal of Applied Engineering Research.
- **Ms. Sheeja Sudheer (MCA)** published a paper titled *Family and Friends Finder Using GPS* in the International Journal of Applied Engineering Research.
- **Ms. Sheeja Sudheer (MCA)** published a paper titled *Automated Seating Arrangement System for Indian Schools and Universities* in the International Journal of Applied Engineering Research.
- **Mr. B. Jaya Kumar, Mr. Subratadey, Mr.P. Kamal and Mr. P. Joseph Vijay (all from ECE)** published a paper titled *Data Transmission Using Multiple Transceiver in Indoor Optical Wireless Communication* in the International Journal on Power Control and Computation.
- **Ms.S. Krithiga and Ms.S.Suganya Hepzi Jeba (ME-CS)** published a paper titled *Brain Tumour Detection Using Fuzzy C Means Algorithm* in the International Journal on Power Control and Computation.
- **Ms. Hina. D. Pal and Ms.J. Jenifer (ME- CS)** published a paper titled *Multi Application Antenna for Wi-Fi, Wi-Max and Blue Tooth for Better Radiation Efficiency* in the International Journal of Scientific Engineering and Applied Science.
- **Mr. Dinesh. B and Mr. Divakaran. R (AERO)** published a paper titled *Enhancement of Gas Turbine Blade Cooling Using Rib Turbulators* in the International Journal of Research in Engineering and Advanced Technology (IJREAT).

### PAPER PRESENTATIONS IN CONFERENCES BY STUDENTS & STAFF

- **Ms.Gifty Sarin (III MCA)** won 1<sup>st</sup> Place for her paper titled *An Innovative Cloud Security Method for Cloud Computing Environment* in the National Level Technical Symposium organized at Junisys Technologies, Chennai in July'15.
- **Mr. Srinivasan.S (MCA)** won the Best Researcher Award for his paper titled *An Advanced Dynamic Authentic Security Method for Cloud Computing* in the 6th International Conference on Banking, Finance, Business and Technology for Sustaining Economic Development in Global Market - IBFBT-2015 organized at Sri Sairam Engg College in Oct'15.
- **Mr. J. Sathish Kumar (AERO)** won the 2<sup>nd</sup> Place for his paper titled *Compressor* in the International Conference at Hindustan University in Oct'15.
- **Ms. Alamelu (MCA)** won 2<sup>nd</sup> Place for her paper titled *An Innovative Cloud Security Method for Cloud Computing Environment* in the National Level Technical Symposium organized at Junisys Technologies, Chennai in July'15.
- **Ms.V.Hema (CSE)** presented a paper titled *DoS attack Detection Based on Naive Bayes Classifier* in the International Conference on Sensing, Signal Processing and Security, organized at St. Peter's College of Engg. & Tech. in May'15.
- **Mr. Subash Chandra Bharathi (EEE)** presented a paper titled *Implementation of Embedded System of UART & LED* in the International Conference on Smart Technologies and Management for Computing, Communication, Controls, Energy and Materials organized at Veltech, Avadi in May'15.
- **Ms. G.Venidevi (IT)** presented a paper titled *Fuzzy Based Energy Competent Cluster Head Selection in Wireless Sensor Networks* in the International Conference on Advances in Applied Engineering and Technology – 2015 organized at Syed Ammal Engineering College, Ramanathapuram in May'15.
- **Mr. Srinivasan.S (MCA)** presented a paper titled *Authentic Secure Storage Access Mechanism for Cloud Computing Using RAID Method* in the 2nd National Conference on Computing and Communication - NCCC2015 organized at Anna University, Tirunelveli in May'15.
- **Ms. Sheeja Sudheer (MCA)** presented a paper titled *Identifying Discourse Connectives and Their Arguments in Malayalam* in the 43rd All India Conference of Dravidian Linguists organized at Anna University, Chidambaram in June'15.
- **Ms. Geetha Lakshmi M (S&H)** presented a paper titled *Trident Form Through Fuzzy Triangular Form* in the National Conference on Fuzzy Theory and its Applications organized at KCG College of Technology in July'15.
- **Ms. Jose Parvin Praveena (S&H)** presented a paper titled *Decagonal Fuzzy Cognitive Map* in the National Conference on Fuzzy Theory and its Applications organized at KCG College of Technology in July'15.
- **Ms. Nagaswetha (II CSE), Ms. Sangeetha (II CSE) and Ms. Sowmya (II CSE)**, jointly presented a paper titled *Skinput in PARADIGM 2k15*, organized at SSN College of Engineering in Sept'15.
- **Ms. M. Juliet Sophia (II ME-CSE)** presented a paper titled *A Survey on Energy Aware Virtual Machine Consolidation in Conjunction with QOS for Green Cloud Computing* in the National Conference on Advanced Computing Technologies organized at KCG College of Technology in Oct'15.

- **Mr. K.Sriram (II ME-CSE)** presented a paper titled *A Survey on Machine Learning Perspective for Predicting Agricultural Droughts* in the National Conference on Advanced Computing Technologies organized at KCG College of Technology in Oct'15.
- **Ms. Nikhila Varghese (II ME-CSE)** presented a paper titled *Association Rule Mining: A Survey* in the National Conference on Advanced Computing Technologies organized at KCG College of Technology in Oct'15.
- **Ms. Geetha. K (II ME-CSE)** presented a paper titled *Image Texture Classification Based on Sorted Consecutive Local Binary Pattern: A Survey* in the National Conference on Advanced Computing Technologies organized at KCG College of Technology in Oct'15.
- **Ms. Rahila. R (II ME-CSE)** presented a paper titled *A Survey on a Framework for Mining Unifying Trajectory Patterns of Different Temporal Tightness* in the National Conference on Advanced Computing Technologies organized at KCG College of Technology in Oct'15.
- **Ms. Jemima Gracia. M.C (II ME-CSE)** presented a paper titled *Privacy Protection for Transmission of Medical Data through Wireless Network* in the National Conference on Advanced Computing Technologies organized at KCG College of Technology in Oct'15.
- **Ms. R.Vidhya (II ME-CSE)** presented a paper titled *A Survey On Tracking And Analyzing The Public Opinion Variation On Twitter Using Graph Based Co-ranking Algorithm* in the National Conference on Advanced Computing Technologies organized at KCG College of Technology in Oct'15.
- **Mr. Deepa K (II ME-CSE)** presented a paper titled *Vanet Mobility and Route Planning Algorithm for Efficient Network* in the National Conference on Advanced Computing Technologies organized at KCG College of Technology in Oct'15.
- **Ms. R.Shyamala (II ME-CSE)** presented a paper titled *A Survey on Approaches for Web Service Selection* in the National Conference on Advanced Computing Technologies organized at KCG College of Technology in Oct'15.
- **Ms. Kalaiarasi M (II ME-CSE)** presented a paper titled *An Energy Efficient Routing Based Data Collection with Delay-Aware and Lifetime Load Balancing for Heterogeneous Wireless Sensor Networks* in the National Conference on Advanced Computing Technologies organized at KCG College of Technology in Oct'15.
- **Ms. Alka Devi (II ME-CSE)** presented a paper titled *A Survey on Data Integrity Schemes in Cloud Storage* in the National Conference on Advanced Computing Technologies organized at KCG College of Technology in Oct'15.
- **Ms. Mahalakshmi.V and Ms. Ashmitha Anna Mathew (all from EEE)** presented a paper titled *Implementation of Embedded System of UART & LED* in the International Conference on Smart Technologies and Management for Computing, Communication, Controls, Energy and Materials organized at Veltech, Avadi in May'15.
- **Ms. R.J.Thirumala Devi, Ms. S.Udhayakumari, Ms. S.Vinitha, Ms. R.Yazhini (all from EEE)** presented a paper titled *Modified Artificial BEE Algorithm for Economic Dispatch (heat) of Thermal Power* in the International Conference on Standards for Engineering and Management organized at Jerusalem Engg. College in Sept'15.
- **Ms. Ntihyashree.M, Ms. G.Sanjana, Ms. K.Shanmugapriya (all from EEE)** presented a paper titled *Artificial BEE Colony Optimization Embedded with Simulated Annealing for Optimal Solution* in the International Conference on Standards for Engineering and Management organized at Jerusalem Engg. College in Sept'15.
- **Ms. Nidhitha and Ms. R.Resmi (III IT)** presented a paper titled *Survey on Clustering & Routing Protocols in Wireless Sensor Network* in the International Conference on Emerging Trends in Engineering and Technology organized at Raja Rajeswari Engg College, Bangalore in July'15.
- **Mr. Muthu Krishnan and Mr. Ali Ashmi (III MCA)** presented a paper titled *A Novel Cloud Security Mechanism for Cloud Computing* in the Technical Symposium Nexentus-2k15 organized at Sri SaiRam Engg. College in August'15.

## EVENTS AT KCG

### FOUNDER'S DAY & INAUGURATION HINDUSTAN INTERNATIONAL SCHOOL

Our Founder Dr. K.C.G. Verghese was fondly remembered and homage was paid to him on 14 June'15 which is celebrated every year as Founder's Day. On this special day Film Actress Amala Paul inaugurated the Hindustan International School in KCG campus.
