ABOUT THE CONFERENCE

Third International Conference on Integration of Advanced Technologies for Industry 5.0 - (ICIATI 2026) will provide an excellent international forum for sharing knowledge and innovations in Science, Engineering & Technology. The aim of the conference is to provide a platform to the researchers and practitioners from both academia as well as industry to meet and share cutting-edge development in the field. The conference also aims to provide quality research publications for the accepted research articles.

ABOUT KCG COLLEGE OF TECHNOLOGY

KCG College of Technology (A unit of Hindustan Group of Institutions) was established in 1998 to fulfill the vision of Founder-Chairman, Dr. KCG Verghese "To Make Every Man a Success and No Man a Failure". KCG College of Technology affiliated to Anna University, Chennai is an Autonomous Institution and approved by AICTE, New Delhi. The college offers thirteen undergraduate and four post-graduate programmes. Six undergraduate programmes (Mech, ECE, CSE, IT, EEE & Aero) have Permanent Affiliation under Anna University. Five undergraduate programmes-Aeronautical Engineering, Computer Science and Engineering (CSE), Electronics and Communication Engineering (ECE), Information Technology (IT) and Mechanical Engineering – are accredited by the National Board of Accreditation (NBA). The college is accredited by NAAC with A+ Grade. The campus is spread over 50 acres at Karapakkam, which is about 10 km from Adyar on the Old Mahabalipuram Road, the IT corridor of Chennai.

ABOUT DEPARTMENT OF RESEARCH

Eight departments- Aeronautical, Automobile, CSE, ECE, EEE, Mechanical Engineering, Chemistry & Physics-have been approved as research centres by Anna University to offer Ph.D. programmes.
