INAUGURAL CEREMONY

INAUGURAL CEREMONY

March 24th 2023

The 36-hour hackathon CyberCratz'23 with 138 participants from 13 colleges all over the nation that took place on March 24th & 25th at KCG College Of Technology was nothing but a huge success.

The IT Department organized it eloquently with Ms. Anju as the staff coordinator and student co-ordinators Ms.Neena P S & Mr.Ajay Prasad from the third year diligently organized Cybercratz with the help of 15 volunteers from across 3rd & 2nd year IT students

The first day of the hackathon began with the inaugural ceremony in the presence of the esteemed **Principal Dr. P Deiva Sundari & IT HoD Dr. J. Frank Vijay**.

Further, the ceremony ended with the candle lighting ceremony to pay our gratitude to the lord for making it all possible. Participants went on a short Brunch break to get themselves ready for the very first phase of Cybercratz 1.0.

DIGNITARIES:

THE PRINCIPAL:

DR. P. DEIVA SUNDARI

HOD-IT:

DR. J FRANK VIJAY

STAFF CO-ORDINATOR:

MS. A.ANJU

PHASE I EVALUATION

It then followed by officially starting the event and hence the first phase where the participants had to present their project ideas, get suggestions from the judges, and try to inculcate them into their project for the next round. The judges were as follows:

1. Muzzamil Zait.A. – System Engineer – Virtusa
2. Deepak.T – Team Lead – Newgen Software Technologies
3. Praveen.S. – Software Developer Engineer - Zocket Technologies Pvt Ltd
4. Sivabalaji – Senior SQL Developer- MSC Technology India Pvt Ltd

MUSIC JAM SESSION

The hour broke into a lunch break and then followed a short music jam session by the college band Rebirth. Several English, Hindi & Tamil songs were played.

For the evening, a 30-minute break was given to the participants.

PHASE II EVALUATION

During the night, the second phase of the hackathon took place where the participants were checked on their capability to include new features to their project. Later, dinner was provided by the college canteen. A music hour was conducted where the participants swayed and were able to relax for an hour after a day of continuous work.

BREAK

Games like Carrom, Chess, and Cards were organized in the auditorium if the participants wanted to take a break until the final phase took place. Coffee & Tea were also arranged for the participants to fetch when they were in need.

While relaxation was important, the safety of the participants was given equal priority, and hence the non-teaching staff, i.e the securities took charge and were on continuous rounds. The volunteers accompanied the participants and helped them find routes inside the college.

Rooms for the participants to sleep in were arranged.

PHASE III PREPARATION

The day started with a brisk sunrise and the rooms allocated for the participants to freshen up, were utilized.

Mr. R M Vigneshwaran, Senior Data Analyst – Securin Inc graced the event with his presence as the cheif guest

PHASE III EVALUATION

The final round then took place after the participants had had their breakfast and were ready to showcase their final project for submission.

Ms.Shiny S U - Engineering Lead, Kriyadocs made a special appearance to be the chief judge of the event.

VALEDICTORY FUNCTION

The final day of the hackathon was joyfully ended with a valedictory function.

As a token of thanks mementos were presented to the 4 panelists who also participated on both of the days of the hackathon, the chief guest and the chief judge.

The winners were announced a short while after the judges made their decisions.

FEEDBACKS

Thank you mam for the wonderful taking. Care of us which we never experienced anywhere , we didn't feel any discomfort throughout the event and also the students co-ordinators who also took care us in kind and humbled manner. Thank you for the opportunity and this kindness.
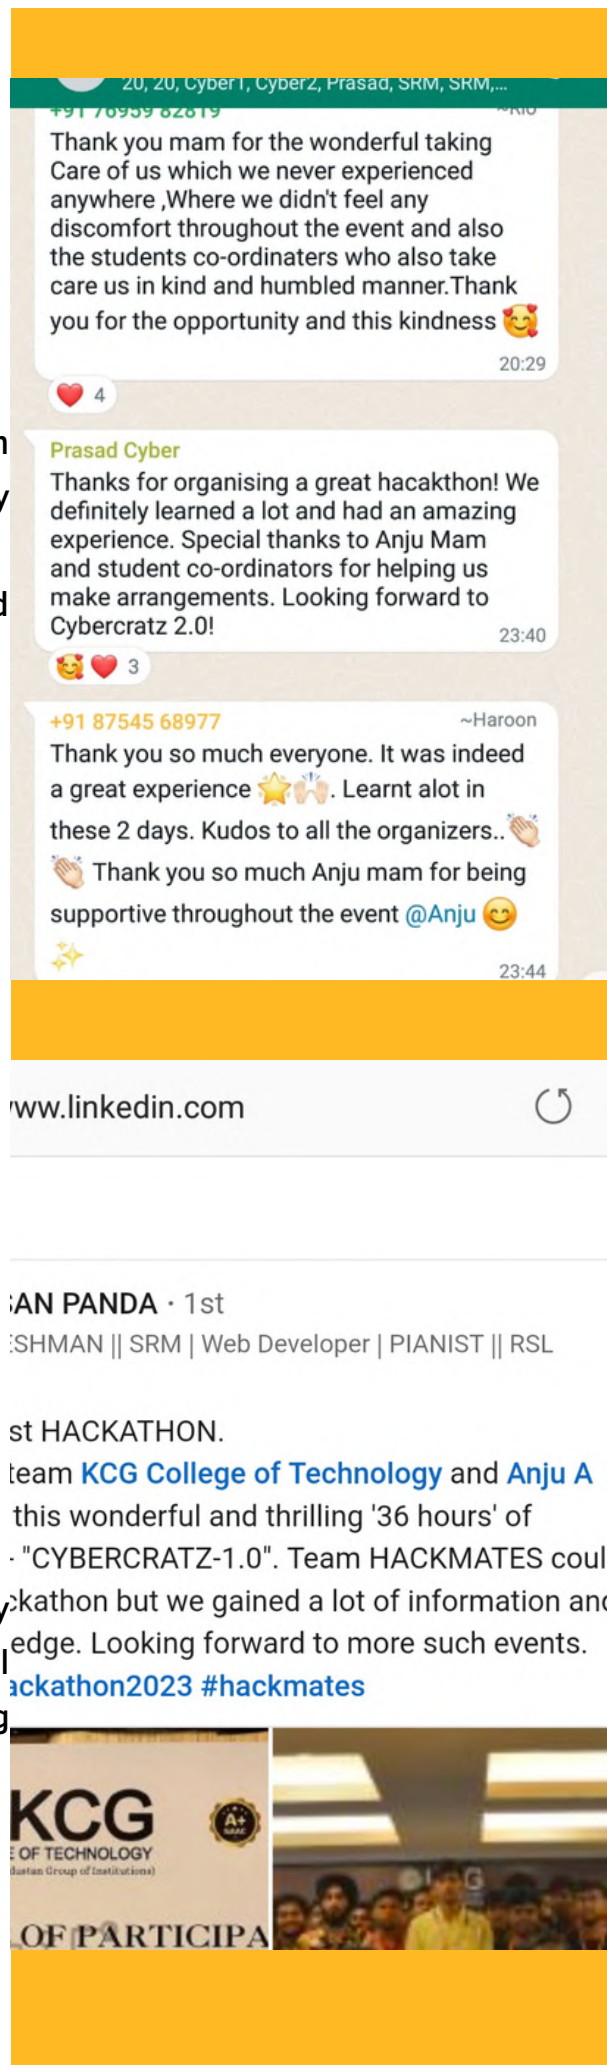

- Team Macavity,
Narasu's Sarathy Institute of Technology

Thank you so much everyone. It was indeed a great experience. Learnt alot in these 2 days. Kudos to all the organizers. Thank you so much Anju mam for being supportive throughout the event.

- Team Hackerz,
Chennai Institute of Technology

Thanks for organising a great hacakthon! We definitely learned a lot and had an amazing experience. Special thanks to Anju Mam and student co-ordinators for helping us make arrangements.
Looking forward to Cybercratz 2.0!

- Team Cypher
