3. **Name of Principal/Director** : **Dr.M.Muthukannan**  
 Exact Designation : Principal  
 Phone Number with STD Code : 044-28389001 / 28389002  
 FAX number with STD Code : 044-22342170  
 Email : [principal@kcgcollege.com](mailto:principal@kcgcollege.com)  
 Highest Degree : Ph.D  
 Field of specialization : Civil Engineering
4. **Name of the affiliating University** : Anna University Chennai  
 Address : Guindy, Chennai – 600025  
 Website : [www.annauniv.edu.in](http://www.annauniv.edu.in)  
 Latest affiliation period : 2023-2024

5. **Governance**

➤ **Governing Board Members**

The governing body approving the administrative functions of the institution is Governing Council (GC). The GC meets normally once in every year.

SI NO	NAME	POSITION
1.	Dr. Elizabeth Verghese	Patron
2.	Dr. Anand Jacob Verghese	Chairman
3.	Dr. Aby Sam	Member
4.	Mr. Ashok Verghese	Member
5.	Dr. Annie Jacob	Member
6.	Mr. Enid Varghese Jacob	Member
7.	Dr. S.Ganesan Vice-Chancellor, (Interim) Hindustan Institute of Technology & Science	Member (Academician)
8.	Mr. Bala MS Founder & CEO Stratinfinity Inc USA, Chairman IIIT Sr city, MHRD	Members (Industrialist)
9.	Mr. Anand Sundaresan Managing Director AMMANN India Pvt. Ltd., Gurajat	Members (Industrialist)

10.	Prof. Dr. L. Mangaleswaran Directorate of Technical, Education, Guidy, Chennai 600025	Member (Govt. of TamilNadu Nominee))
11.	Dr. G Kumaresan Associate Professor Department of Mechanical Engineering CEG Campus, Anna University, Chennai	Member (Anna University Nominee)
12.	Dr. M. Rajaram, IAS (Retd.) Advisor Hindustan Group of Institutions Chennai.	Special Invitee
13.	Dr. G. Prabhakaran Dean (Academics) KCG College of Technology Karapakkam, Chennai 600 097	Member (Faculty)
14.	Dr. M Muthukannan Principal, KCG College of Technology	Member (Faculty)
15.	Dr. Z Edward Kennedy Professor & Dean - IQAC KCG College of Technology Karapakkam, Chennai 600097	Member (Faculty)
16.	Dr. M Krishnamurthy Professor & Head Artificial Intelligence & Data Science KCG College of Technology Karapakkam, Chennai 600 097	Member (Faculty)
17.	Dr. K Vijaya Raja Professor & Head Aeronautical Engineering KCG College of Technology Karapakkam, Chennai 600 097	Member (Faculty)
18.	Dr. M Muthukannan Principal, KCG College of Technology Karapakkam, Chennai 600 097	Member Secretary

## The main functions of Governing Council are

1. Decisions on administrative and academic matters
2. Budget approval
3. Decisions on addition of new programmes and change in intake
4. Sanction for activities - academic and non-academic
5. Decisions on recruitment
6. Improving infrastructure facilities – curricular and co-curricular
7. Approval to procure major equipments
8. Enhancing general amenities
9. Any other major decision

### ➤ Organizational chart

➤ **Student Feedback Collection Process**

The feedback collection process is described in the following sections:

**Class Committee Meeting**

The Class Committee Meeting with the aim of getting instant / continuous feedback from the students on the course / faculty is conducted 2 times in a semester with minimum of 9 students from each class in the presence of chairperson who is not directly associated with the class and the faculty handling the courses.

**Corrective measure:** Immediate action is taken in various ways. Extra classes are arranged for subjects that students feel difficult. If required, faculty is mentored to improve their performance. Complaints regarding facilities are entered into the relevant register or requirement letter submitted to the Admin Manager.

The observations and comments of students/ faculty are recorded along with the action taken and then signed by all those present for the meeting. After the meeting, the Head of the Department rates the faculty in the A to D scale based on the feedback given by the students. A sample of feedback evaluation form to be filled by the HoD

**Classroom Feedback (Online)**

At the end of every semester, online feedback of the faculty by all the students in a 5- point scale rating (\*) is obtained broadly on the following categories:

- ❖ Planning and organization
- ❖ Presentation / Communication
- ❖ Students Participation
- ❖ Classroom Management / Assessment of students

**(\*) Rating in 1-5 Scale**

5	→	Excellent
4	→	Very Good
3	→	Good
2	→	Fair
1	→	Poor

**Corrective measure:**The consolidated classroom feedback is forwarded to each faculty through the Head of the department.

**Interactive Feedback by Dean (S.A)**

Feedback on the regular progress of the courses is obtained by the Principal once in a semester during the interactive session with a group, normally of equal ratio of boys and girls, totaling 9 students ranging from slow learners to fast learners, inclusive of day's scholars and hostellers.

The feedback in the rating scale of A to D is obtained on the following:

- ❖ Syllabus Coverage
- ❖ Standard of Concepts
- ❖ Voice / Communication Skills
- ❖ Regularity & Punctuality

**(\*) Rating in A-D Scale**

A	→	Excellent	(5)
B	→	Good	(3)
C	→	Average	(2)
D	→	Not Satisfactory	(0)

**Corrective measure:**Based on the feedback, the Principal discusses with the faculty concerned in the presence of HoD the necessary / corrective steps to be taken by the faculty and the department. For the overall performance appraisal of faculty, the weightage for the interactive feedback is 20%.

### **Feedback on Facilities**

Regular feedback regarding facilities is recorded in class committee meetings which are held twice every semester. Any lacuna is immediately reported by the Head of the Department to the concerned authorities. Students are also free to approach the Dean of Student Affairs to express any grievance. All complaints regarding malfunctioning of any facility is recorded in a register maintained by the Admin Manager. The register is checked once a month by the Vice Principal to ensure that corrective action is not pending.

#### ➤ **Online Grievance Redressal Mechanism**

Student login has been created in our college website for students to register their grievances. Under the general details category, a new tab grievance is added. The complaints will be landing in [grievances@kcgcollege.com](mailto:grievances@kcgcollege.com) and also the five mail ids.

<b>S.No</b>	<b>Name of the Faculty</b>	<b>Deisgnation</b>	<b>Mail-ids</b>
1	Dr. M Muthukannan	Principal	principal@kcgcollege.com
2	Dr. G Prabhakaran	Dean Academics	deanacademics @kcgcollege.com
3	Dr. S Muthukumar	Registrar	<a href="mailto:registrar@kcgcollege.com">registrar@kcgcollege.com</a>
4	Dr. R Jeya	Student Affairs	<a href="mailto:jaya.eng@kcgcollege.com">jaya.eng@kcgcollege.com</a>
5	Dr. Z Edward Kennedy	Head-IQAC	<a href="mailto:iqac@kcgcollege.com">iqac@kcgcollege.com</a>
6	Ms. D Revathy	Student Counsellor	<a href="mailto:student.counsellor@kcgcollege.com">student.counsellor@kcgcollege.com</a>

### **Grievance Redressal mechanism for faculty, staff and students**

All grievances (staff and students) are addressed immediately. All are free to voice their grievance to their higher authorities. These grievances are heard and action taken in keeping with the need or the issue. Other than these there is a Grievance Redressal Committee that looks into major or serious grievances.

#### ➤ **Grievance Redressal Committee**

The Grievance Redressal committee has been formed to look into the grievances of both the students and staff. Its objective is to settle grievance related issues in a cordial manner. This is done by arranging an enquiry within 24 hours from the receipt of the complaint in written form duly signed by complainant(s).

**Sri. R Govindarajan** , Retired District Judge, has been appointed as the OMBUDSMAN to address the Grievances of students and parents.

**List of Grievance Redressal Committee Members**

<b>S.No</b>	<b>Name</b>	<b>Designation</b>	
1	Dr. M Muthukannan	Principal	principal@kcgcollege.com
2	Dr .G Prabhakaran	Professor & Dean Academics	deanacademics@kcgcollege.com
3	Dr. S Muthukumar	Registrar	registrar@kcgcollege.com
4	Dr. Z Edward Kennedy	Head - IQAC	iqac@kcgcollege.com
5	Dr. R Jaya	Head-Student Affais	Jaya.eng@kcgcollege.com
6	Ms. D Revathy	Student Counsellor	student.counsellor@kcgcollege.com
7	Mr Saravanan P	III-Year Mech	9123114015@kcgcollege.com
8	Ms Suba Shree A	II-Year AI&DS	9124243048@kcgcollege.com

**Function:**

**The Grievance Redressal Committee:**

- Receives appeals from the students and staff.
- Identifies the gravity of the appeal.
- Ascertains the legal implications of the appeal.
- Classifies appeals into academic, administrative or others.
- Arranges for Enquiry.
- Enquires into the issue.
- Discusses about the enquiry.
- Submits report.
- Finalizes action to be taken.

All committees comprise of the Principal, Vice- Principal, Dean- Academics, HoDs and a few selected staff members. All members work cohesively for the smooth functioning of the institution.

➤ **Internal Compliance Committee**

The committee (ICC) is constituted based on the POSH Act,2013 which addresses the issue of sexual harassment of women at work place.

S.No	Committee Members	Name
1	Chairperson	Dr Kavitha Balamurugam, Professor & HoD-ECE
2	Internal	Dr Linu Sam, Associate Professor-Physics –S&H
3		Dr. P M Sithar Selvam - HoD – S&H
4		Ms D Revathy, Student Counsellor
5		Dr R Chandra Mohan, GM-Industry Partnerships & Corporate Affairs
6		M M Dhivya, IT – Lab Instructor
7		Ms Glorial Francis, Girl’s Hostel Warden
8		Mr K Jebamalai, Boy’s Hostel Warden
9		Ms K Kaviya, Student, ECE – II Year
10		Mr S Moulidharan, Aero – II Year
11		Ms J Hephysiba Priya, Legal Officer
12		External

The POSH Act has been enacted with the objective of preventing women against workplace sexual harassment and to ensure effective redressal of complaints of sexual harassment

Our Institution ensures a Sexual Harassment free environment for the women employees.

### ➤ **Internal Quality Assurance Cell**

As per National Assessment and Accreditation Council (NAAC) guidelines every accredited institution should establish an Internal Quality Assurance Cell (IQAC) as a post- accreditation quality sustenance measure. Since quality enhancement is a continuous process, the IQAC becomes a part of the institution's system and works towards realization of the goals of quality enhancement and sustenance.

In KCG College of Technology, the Internal Quality Assurance Cell (IQAC) was established in December 2016. It has students and faculty as its members. It monitors the progress in teaching – learning and aims to achieve the Vision and Mission of the College.

### **Objectives**

- To enhance the quality of students and faculty through constant motivation and by providing excellent ambience for learning
- To provide and upgrade facilities to adopt innovative Teaching-Learning methods, carry out research projects and collaborate with industries
- To ensure that the students and faculty handle administrative procedures with ease

### **Functions**

- Conducting development programmes for students and faculty on thrust areas of Engineering and Technology
- Arranging guest lectures on topics beyond syllabus to bridge the gap identified in the syllabus prescribed by the University
- Circulating to students and faculty the information related to National and International Symposium/Conferences organized by other Universities and affiliated institutions
- Arranging Industrial visits and In-plant trainings for students so as to encourage them to undertake industry relevant research projects
- Rewarding students and faculty for publishing research articles in journals of repute and procuring funds from reputed research organisations
- Promote MoUs with industries to improve student placement and carry out industry and society relevant projects
- Devising friendly and realistic procedures to handle administrative tasks

## Significant Contribution

- Initiated student support mechanisms for Higher education and Competitive exams
- Around 60 faculty members were made familiar with Learning Managements System (LMS) through in house and external training (IIT)
- The Lab audits were carried out to ensure that laboratory facility is fully utilized and laboratory classes were conducted as per the curriculum
- Faculty members were encouraged to publish more papers in indexed journals and the number of publication has increased proportionately
- Expert members visited the classes to help the teachers in improving Course delivery/ ICT utilizations/ Video Lecturing etc.

8. Profile of Principal & Faculty : [www.kcgcollege.ac.in](http://www.kcgcollege.ac.in)

### 9. Fee Details

➤ **Details of fee, as approved by State Fee Fixation Committee for the Institution**

UG Engineering Programmes (Accredited) - Rs.55,000/- p.a.  
UG Engineering Programmes (Non Accredited) - Rs.50,000/- p.a.  
PG Engineering Programmes (Accredited) - Rs.55,000/- p.a.  
PG Engineering Programmes (Non Accredited) - Rs.50,000/- p.a.

➤ Time Schedule for payment of Fee for the entire programme

- Without fine – before commencement of every semester
- With fine – after commencement of every semester

➤ No. of Fee waivers granted with amount and name of Students

AICTE Tuition Fees Waiver Scheme – Tuition Fees Waived

No. of Fee Waivers ( 2023-24) : 20 Students

No. of Fee Waivers ( 2022-23) : 16 Students

No. of Fee Waivers ( 2021-22) : 18 Students

No. of Fee Waivers (2020-21) : Nil

➤ Number of scholarship offered by the Institution, duration and amount

➤ Criteria for Fee waivers/scholarship

<https://kcgcollege.ac.in/academic-support/scholarships/>

➤ Estimated cost of Boarding and Lodging in Hostels

Room with Bath Attached - Rs.95000/-

Room with Common Rest Room - Rs.90000/-

➤ Any other Fee please specify

Number of Fee Waivers offered : - - -

### 10. Admission

➤ Number of seats sanctioned with the year of approval

<b>Programme</b>	<b>Sanctioned Intake</b>	<b>Year of Starting</b>

Programme	2021	2022
UG	721	733
PG	50	27

## 7. Admission Procedure

➤ **Eligibility :**

As per the guidelines of AICTE and Government of Tamil Nadu Norms.

➤ **Mention the admission test being followed, name and address of the Test Agency / State Admission Authorities and its URL (website)**

1. Tamil Nadu Engineering Admission ( TNEA)
2. Consortium of Self Financing Colleges of Tamil Nadu

**Minority Institutions :**

1. 50% of Seats allotted by TNEA
2. 50% of Seats allotted by Consortium

➤ **Number of seats allotted to different Test Qualified candidate separately**

- |                                     |   |
|-------------------------------------|---|
| 1. AIEE/CET ( State Conducted Test) | : Not Applicable                                      |
| 2. University Tests                 | : Not Applicable                                      |
| 3. CMAT                             | : Not Applicable                                      |
| 4. GPAT                             | : Not Applicable                                      |
| 5. Association Conducted Test Etc.. | : Consortium of Self Financing Colleges of Tamil Nadu |

➤ **Calendar for admission against Management / Vacant seats:**

- As Per the Tamil Nadu and Consortium of Self Financing Colleges of Tamil Nadu

- **Last Date of Request for Applications** : 26.06.2024 \*
- **Last Date of Submission of Applications** : 27.07.2024 \*
- **Date for Announcing Final Results** : 07.08.2024 \*
- **Release of Admission List** : 07.08.2024 \*
- **Last Date for Closing Admission** : AS announced by AICTE / Govt. of Tamil Nadu
- **Starting of the Academic Session** : AS announced by AICTE / Govt. of Tamil Nadu
- **The waiting list shall be active only on the expiry of date of main list** : Yes
- **The policy of refund of the fee, in case of withdrawal, shall be clearly notified:**
  - As per the AICTE Guidelines.

\* - Subject to Change

## 7. Criteria and Weightages for Admission

- **Describe each criteria with its respective weightages i.e :**
  - As prescribed by Government of Tamil Nadu
- **Mention the Minimum Level of acceptance, if any :**
  - As prescribed by Government of Tamil Nadu
- **Mention the cut-off Levels of percentage and percent ilescore of the candidates in the admission test for the last three years :**
  - Please Refer Question No. 6
- **Display marks scored in Test etc. and in aggregate for all candidates who were admitted.**
  - Admission is based on Mark Scored in +2 Level
    - : SC / ST / MBC / BC : 40% ( Maths , Physics and Chemistry)
    - : OC Category : 45% ( Maths, Physics and Chemistry)

## 11. List of Applicants

- List of candidate whose applications have been received along with percentile / percentages core for each of the qualifying examinations in separate categories for open seats. List of candidate who have applied along with percentage and percentage score for Management quota seats ( merit wise).

– **12.**

## 12. Results of Admission Under Management Seats / Vacant Seats.

- **Composition of selection team for admission under Management Quota with the brief profile of members (his information be made available in the Public domain after the admission process is over).**

### **Management Quota - Consortium of Self – Financing Professional Arts and Science Colleges in Tamil Nadu.**

- a. The seats under management quota are filled another single window system through Consortium of Self – Financing Colleges.
- b. The application forms shall be obtained from the Consortium Office and the student shall submit the application by on or before the last date with necessary copy of documents required and fee for Consortium Single Window System.
- c. The published rank list is published by Consortium of Self–Financing Professional Arts and Science Colleges

- d. The management shall give admission to the students who are qualifying in the consortium Single window systems.
- e. The students on getting Allotment Order, shall contact the college to submit application with required various documents as prescribed by the college and the fees as guided by the Fee Fixation Committee, Government of Tamil Nadu. The other charges if any to be paid will be intimated to the students and as per that the students shall pay the amount.
- f. On submitting various documents and the payment of prescribed fees in full, the students will be admitted into the college and they shall attend the college from the Opening Day onwards.
- g. The documents submitted by the students shall be verified for its correctness. Any doubt found, duplicate documents identified, the student's admission will be questioned and shall be hold on for further investigation and information, Till getting the clearance, the student shall not be admitted to college.
- h. If the documents submitted found to be defective and proved, the admission shall be cancelled and will be informed to Consortium and appropriate their after for necessary action.
- i. The List of Students with original certificates will be submitted to the Director of Technical Education (DOTE) for approval.

- **Score of the Individual candidate admitted arranged in order or merit:**
- **List of candidate who have been offered admission:**
- **List of the candidate who joined with in date, vacancy position in each category before operation of waiting list.**

- 2022-2023 - **11**

- 2021-2022 - **10**

- 2020-2021 - **9**

- **Waiting list of the candidate in order of merit to be operative from the last date of joining of the first list candidate:**

- There are no waiting list candidates for the Academic Year 2023-24, 2022-2023, 2021-2022.

### 13. Information of Infrastructure and Other Resources available

- Classrooms, Tutorials & laboratories

## 20. Best practices adopted, if any

### Best Practices

#### Introduction

KCG College of Technology, formerly known as National Institute of Technology and Science, was founded in 1998 by the registered Society of Hindustan Engineering Training Centre to fulfill the Founder-Chairman, Dr KCG Verghese's vision of "**To Make Every Man a Success and No Man a Failure**". It is a Christian minority institution, approved by All India Council for Technical Education (AICTE), New Delhi. The campus of KCG College of Technology is beautifully landscaped in a lushgreen stretch of land spread over 50 acres at Karapakkam, which is about 10 km from Adyar on the Old Mahabalipuram Road / Rajiv Gandhi Salai, the IT corridor of Chennai.

#### **Vision**

KCG College of Technology aspires to become a globally recognized centre of excellence for science, technology & engineering education, committed to quality teaching, learning and research while ensuring for every student a unique educational experience which will promote leadership, job creation, social commitment and service to nation building.

#### **Mission**

- ☐ Disseminate knowledge in a rigorous and intellectually stimulating environment
- ☐ Facilitate socially responsive research, innovation and entrepreneurship
- ☐ Foster holistic development and professional competency
- ☐ Nurture the virtue of service and an ethical value system in the young minds.

KCG College of Technology is run and managed by highly qualified educationists who are committed to improving the quality of technical education.

#### **KCG College is known for:**

- ┆ Imparting holistic education. It strives to help each student find meaning in what they do and it instills confidence in them and encourages them to have humanitarian values with which they can connect to the society at large in a meaningful way.
- ┆ Focusing on innovation and entrepreneurial skills of the students through Innovation and Entrepreneurship Cells (i-cell and e-cell) which inculcate the spirit of innovation and entrepreneurship among students. It's the first college, under Anna University to launch Government funded Technology Business Incubator (TBI).
- ┆ Developing the leadership skills of the students through annual Hindustan Young Leaders' Conference (HYLC), KCG Toast Masters Club and other regular activities.

**KCG College is proud of:**

- ┆ NBA accreditation for five programmes – Computer Science & Engineering, Electronics & Communication Engineering, Information Technology, Mechanical Engineering and Aeronautical Engineering.
- ┆ Centres of Excellence in various technical domains that include KCG-Intel CoE in IoT, KCG-CDCE CoE in Factory Automation and Robotics, KCG-Dell EMC Centre of Academic Excellence in Data Science, KCG-VirtusaCoE in Java & New Age Technologies, KCG-GE CoE in Sub-Station Automation supported under FIST Scheme, KCG-Bosch Bio-Medical CoE, KCG-Bosch CoE in Automobile Engineering, KCG-NSDC CoE in Renewable Energy supported under AICTE-MODROBS, CoE in Simulation Dynamics and Autodesk CoE.
- ┆ Industry incubation centres with Zoho, Servion Global Solutions, Virtusa, Data Patterns that creates opportunity for students to get trained in niche technologies.
- ┆ Special Interest Groups (SIG) that bring together the students with interest in specific field of engineering and technology and provides them with opportunities to engage in discussions and collaborate in research.
- ┆ Training Partners of CISCO, ORACLE, NSDC, MSME, AWS Educate, EFY, e-Yantra, Siemens, GE, Infosys, KKM Soft, BSNL, NIELIT, Eaagle View.
- ┆ Student chapters of professional associations like AeSI, IET, IEEE, IAENG, EWB, IE, CSI, ICT Academy, ISTE, IETE, ISOI, ISOC, ISIE, NASSCOM, ASSOCHAM, NPTEL, IIT PALS and CII that initiate students to professional life.
- ┆ KCGConnect, our registered Alumni Association has a strong network of alumni who help the institute by delivering guest lectures and conducting various training programmes and mock interviews. Our KCGConnect team has also launched a social outreach wing and is involved in community activities helping the needy people.
- ┆ Extension and outreach programs in the neighbourhood community in terms of sensitising students to social issues and holistic development.
- ┆ Highly-qualified and well-experienced faculty with strong subject knowledge and intense research interest.
- ┆ Excellent infrastructure which include well-equipped laboratories, state-of -the art digital library, smart classrooms, hi-tech seminar halls, Gym, Indoor and Outdoor Sports facilities, secure and comfortable hostels for boys and girls.

**KCG College focuses on:**

- ┆ Improving collaborations with the industry in order to strengthen industry institute partnership and enhance internship and placement opportunities. As a pro-active measure Industry Partnership & Corporate Affairs office has been formed.
- ┆ Promoting research by providing support to teacher researchers and research groups.
- ┆ Disseminating knowledge in a creative and effective way using the tools of modern technology and making teaching learning process enjoyable.
- ┆ Celebrating diversity on the campus by recognizing the uniqueness of individuals.
- ┆ Contributing to each individual's personal growth by enabling them to develop the twenty- first-century skills: 4Cs – Communication, Collaboration, Creativity and Critical Thinking required at the workplace.
- ┆ Providing constant support to students to develop their organizational and leadership skills by encouraging them to organise and participate in technical events like symposia, conferences, guest lectures, workshops, etc.

- ┆ Counselling the students interested in pursuing higher education by offering them help in their preparation for IELTS, TOEFL, GMAT, GRE and GATE through Higher Education Cell.
- ┆ Helping students develop their hobbies and passion through different technical and non- technical clubs including KCG Toast Masters club and KCG MUN club.

**KCG College’s major achievements include:**

- ┆ Receiving grants from DST, AICTE, UGC, IET, ICMR, IEI, ISRO etc. for carrying out projects or for organising seminars, workshops and faculty development programmes.
- ┆ Enhancing the lab infrastructure with the support of Government under FIST / MODROBS scheme and Industries like Hyundai, Ford, BMW, Benz, Nord Drives etc.
- ┆ Achieving excellence by winning several awards including ‘Best Institute Fostering Academia Research Industry Partnership Award’ by the Associated Chambers of Commerce & Industry of India (ASSOCHAM), ‘Best Industry-Linked Electrical Engineering & Allied Institute’ by AICTE-CII, which places the college one among the 22 institutes in India under platinum category.
- ┆ Winning prizes by students in technical competitions like Go Kart, Smart India Hackathon, Carbon Zero Challenge, IIT-PALS Innowah, ELECRAMA, NRDC etc, and in sports / cultural events at the national level.

**Industry Engagements**

The college has been maintaining an active interaction with the industries and encourages the students to expose their knowledge in their fields. The breadth and depth of the research interests of the academic staff ensures excellent opportunities for challenging and stimulating major and minor projects in leading industries/institutions, besides their regular curriculum. The main aim is to create an academic environment that is suitable for sustainable research activities and to have industrial tie-up for collaborative research in emerging areas.

**1. Industry Supported Centers of Excellences**

- ┆ KCG-Intel CoE in IoT
- ┆ KCG-CDCE CoE in Factory Automation & Robotics
- ┆ KCG-Dell EMC CoE in Data Science
- ┆ KCG-Virtusa CoE in Java
- ┆ KCG-Bosch Biomedical CoE
- ┆ KCG-Bosch CoE in Automobile Engineering
- ┆ KCG-GE CoE in Sub-Station Automation supported under DST-FIST
- ┆ KCG-NSDC CoE in Renewable Energy supported under AICTE-MODROBS
- ┆ KCG CoE in Simulation Dynamics
- ┆ KCG Autodesk Centre of Excellence
- ┆ Oracle Academy
- ┆ CISCO Network Academy
- ┆ AWS Educate Training Partner
- ┆ EFY Training Center
- ┆ e-Yantra Training Center
- ┆ NSDC Affiliated Training Center
- ┆ MSME Affiliated Training Center
- ┆ Siemens Affiliated Training Center for AC/DC Drives
- ┆ The Eaagle View Training Partner

- ☐ Infosys Campus Connect Partner
- ☐ KKM Soft Training Partner

## 2. **Industry Incubation Models**

### ➤ *ZOHO (An IT Product Company)*

1. Identified 30 Competent Students (By conducting Aptitude Test for Non-IT and Aptitude cum Programming Test for IT students).
2. Training (Provided training for the identified students on Java for 12 weeks using ICT tools; Weekly assignments were given; Organised mock tests and performance was continuously monitored).
3. Recruitment (Students were evaluated by Zoho; Internship with a stipend of Rs.18,000 per month was offered to selected students).
4. Faculty were sent to the industry to upgrade their skills through Train The Trainer model.
5. Being an affiliated College, the less flexibility in academic schedule was mitigated with more of ICT based trainings.
6. As the students were from IT and non-IT branches, different methodology was adopted with more focus on programming basics for non-IT students.
7. Students placed in Zoho with CTC of Rs.6.75 Lakhs.
8. Knowledge gained through this training resulted in placement of all the incubated students in different companies.

### ➤ *Servion Global Solutions*

1. Servion Global Solutions – 150 students under Incubation getting trained in 5 verticals.

## 3. **Industry Involvement in the Curriculum Design**

- ☐ Department Advisory Board has representatives from renowned Industries. 58 Courses have been changed based on Industry feedback.
- ☐ Adjunct faculty, an experienced Industry person is available in every department for Mentoring the students and faculty, Lecture in Project Management for pre-final and final year students, Project Review, Mini Project Review, Faculty Mentoring for proposals and grants, Interacting with Industries for getting suitable expertise for guest lectures, industrial visits, internships etc.

## 4. **Invited Guest Lectures from Industry**

Eminent speakers from the industries are invited to give specialized lectures in the topics covered in the syllabus and also from the contents beyond the syllabus. Workshops, seminars and conferences in collaboration with Industries are organized every year for gaining the knowledge on the latest technologies and increase the research potential of the students and the faculty members. 167 industry invited lectures were arranged across various departments in the past 2 years.

## 5. **Students Inplant Trainings, Internships & Industrial Visits**

Real-time learning through industrial visits is provided for the students during their course of study. Two Industrial visits for each semester are planned and arranged for the students to experience and know the recent innovation and technology. Students are encouraged to undergo internships in industries. With this internship in industries, the students will gain practical exposure that reduces the gap between the curriculum and industrial requirement. In the last academic year, 108 Industries were visited by our students and 147 batches went for internships to various industries.

**6. Faculty Trained by Industry**

200 of our faculty have attended trainings in various industries like Infosys, GE, CISCO, ORACLE, BSNL, NSIC, NSDC, CVRDE, Voltech, ABB, Transun Energy Systems, Technocrat Automations, EVR Transformers, CDCE Automations, HCL, NIWE, HTC Global, EAAGLEVIEW, Sunkid Electro Systems, Gamesa, Cadence, SankaraNethralaya, Vestas, Wheels India, SchwingStetter, Intel, Apollo Hospitals, Wheels India, Datapatterns, MELS System and Services, TNEB etc.

**7. Faculty providing Training to Industry**

39 of our faculty provide training to industries like GE, National Institute of Wind Energy, CVRDE, KaashivInfotech, Royal Enfield, Aeolus Aero Tech Pvt. Ltd., Teslaminds etc.

**8. Faculty on Board of Industries**

Nearly 58 Faculty are currently on the Board of Industries and Advisory / Academic Council of several Organizations like Perfect Engineering, Hibrise Technologies, KST Wind Engineering India, Aeolus Aero Tech Pvt. Ltd., Jetwings, Tesla Minds, Bits n Watts Embedded Systems, Anna University etc.

**9. Publications Collaboration**

96 of our faculty have collaborated with Industry person for international journal publications.

**10. Placement**

Various Industries like Infosys, Amazon, Capgemini, Zoho, Tech Mahindra, CSS Corp, iGATE, Kaar Technologies, Happiest Minds, Newgen Software Technologies, Gamesa Wind Energy, Data Patterns, HCL Technologies, Mitsubishi Elevators, TATA Communications, Fisher unit of Emerson, SANMAR, Virtusa – Polaris, CTS, TCS, Wipro, NTT Data, Enchanter Corporation, JSR Service and Capital, Saksoft, Juspay, DBS Bank, Tata Communications, AXIS Bank, Assystem Technologies, Neshtech, Sundaram Fasteners, Syntel, BahmanCybertek, SchwingStetter, Sutherland Global Services, Flextronics, Junghenrich, Core Integra (TCS iON), Mel System and Services, Just Dial, Valued Epistemics, SHAR Technologies, Steel Strips Wheels Limited, Barry Wehmiller have recruited our students.

**11. Technical Consultancy**

In the past academic year, 77 consultancy projects have been taken up by our college from various industries like Hitachi Automotive Systems, PowerSync, TANTRANSCO, GE, CDCE, PWD, J K Geotech Services, Pollution Control Board, Mahadevan Enterprises, Indian Geoinformatic Center, Ocean Life Spaced Pvt., Rambal Ltd. CACHII Android, T.J.Titanium Pumps, Jetwings Technologies etc.

**12. Sponsored Research & Development Projects**

The college has collaborated with various Research Organisations like National Institute of Wind Energy (NIWE). Department of Science & Technology (DST), Institution of Engineers (IE), Combat Vehicle Research & Development Establishment (CVRDE), Defense Research & Development Lab (DRDL), Indian Space Research Organisation (ISRO), Indian Council for Medical Research (ICMR), TamilNadu State Council for Science and

Technology (TNSCST) etc. Projects worth more than 3 crore rupees are being undertaken in the recent years.

### **13. Intellectual Property Rights**

The College has 58 patents filed in the last academic year by our faculty and students. Projects to Patents conversion through expert advice is facilitated at college.

Innovative Teaching methods

#### **Interactive Lectures**

Every faculty prepares the course delivery plan well in advance and distributes to the students before the commencement of the course. Each faculty prepares the respective lecture to every student well in advance (These materials are available in the respective course file). The faculty creates the active learning environment inside the class room by organizing The delivery of contents inside the class room is monitored by the class committee which is constituted to review the academic progress twice in a semester. The committee consists (mix up of topper, average, poor and lateral entry students). The students and the faculty give their feedback about the progress. The senior faculty who is acting as a chairperson for the committee also records the minutes of meeting An Internal Auditing will be done to evaluate the various records and the evaluation system. The Audit Committee consisting of a chief auditor and an auditor from other department to ensure that the course coverage and assessment are done on a unique basis, by the entire faculty handling common courses for different classes and programmes. A report is given by the faculty members to academic coordinator before the commencement of the course.

#### **Tutorials**

For all the programming and analytical subjects in the programme curriculum, minimum two periods are allotted for Tutorial sessions in the regular time table itself. Entire class will be divided into two batches and Tutorial sessions are conducted in two different class rooms. Two faculty members will be deputed for conducting one Tutorial session. Questions will be given to the students on the previous day itself and the students will themselves solve the problems under the guidance of faculty member. By this method, individual attention will be given to the students to enhance their programming and problem solving skills.

Different exercises related to the topics were given and are solved by the students during the tutorial hours with the guidance of faculty. Students are divided into groups based on their understanding levels and group activity will be assigned to them.

#### **IMPACT:**

- ☐ Integration of knowledge is possible during the discussion of this activity.
- ☐ Close interaction with the faculty will help to clarify their doubts which are not possible in regular theory classes.
- ☐ Skills like critical thinking, communication skills, team collaboration, Problem solving are improved.

#### **Use of Various Instructional Methods and Pedagogical Initiatives**

Pedagogical initiatives such as real world examples, collaborative learning is followed in the classes. Apart from chalk and board method, video Interactive Lectures are used to show demos with interesting real time examples. This is followed to improve the students' interest and knowledge in the specific subject. In addition, innovative teaching methods like quiz, role play, seminar, etc., are used.

- **Group Discussions:** This involves the use of group discussion among the students to assess the application of various concepts. By discussing among themselves the students gain better perspective about the merits & demerits of the various concepts.
- **Quiz:** At the start of the lecture, faculty regularly conduct a follow-up quiz on the material covered in previous lecture to review & revise the previous concepts for the benefit of the students.
- **Role Play:** In explaining complex systems the faculties use the role-play method where each sub-system is enacted by a particular student, to better involve the students into the teaching-learning process.
- **Case Studies:** Teaching using case studies enable the students to apply what they have learnt in the classroom to real life situations. Case studies also encourage students to develop logical problem solving skills and it helps the students to define problems, analyze possible alternative actions and provide solutions with a rationale for their choices.
- **Assignments:** Giving assignments to the students can provide an opportunity for them to apply critical thinking skills as well as help them to learn course content.
- **Interactive Seminars:** Each class is assigned seminar hour in a week. In this activity, each group in a class will prepare a two page summary of the recent research topic or technical facts that will be presented by the group to the class members.

Technical knowledge of the faculty will be enhanced by encouraging to attend various personality development training programs like Faculty development programs are organized to enrich the faculty teaching potential.

Workshops, seminars and conferences are organized every year for gaining the knowledge and increase the research potential of the students and the faculty members. Case studies and assignments are also given to the students from the content beyond syllabus for motivating the students in understanding the relevance and application of the course in the industry.

Now-a-days, technology has made the Teaching – Learning process easier and quicker. Teaching through Video Interactive Lectures/tutorials impresses the students and makes them to like the environment and infrastructure and enhances the clarity in understanding of concepts through visual objects. The NPTEL videos are structured for easy learning and teaching approach. These videos are supplemented with real time applications.

## **Impact**

- With the supporting Video tutorials from NPTEL, Course teacher is explaining the difficult concepts.
- The video Interactive Lectures give wide explanation of different concepts and more insights for the good learners.
- It increases visual learning capability without boring the students.
- Simulation videos are very much useful for real time applications and analysis.

## **Collaborative Learning**

Students are given more technical knowledge by collaborative learning methods. Students are shown different opportunities that await them. At their completion of the course, they are specifically made placement ready. Emphasis is on soft skill training, mock interview, group discussion, aptitude etc. Constructive interaction with the mentor improves students' prospects and in turn builds confidence. Industrial visits and Inplant Training is planned and arranged for the students to experience and know the recent innovation and technology.

- BEC English speaking course is conducted for the second year students. Placement centric trainings are conducted for the third and final year students.
- Personality development programs are conducted for the first year students. Brainstorming sessions are conducted in regular periods for all the four years.
- In addition to this, collaborative learning methods, special counseling is given to final year students in order to motivate them for placement and higher studies.
- In addition to this, group discussion, group assignments and mini projects are also given to the students.
- Training and Placement cell conducts online mock test for the final year students

## **Project based Learning**

In order to learn the practical courses more effectively, every semester the Students will be instructed to do mini projects. This method is mostly used to improve the ability of application and also to reinforce knowledge given during the lecture. Being a technical institute, this method is extensively used to provide empirical evidence of theory learnt. Students are asked to prepare mini projects involving application of the concepts, principles or programming languages they learnt. The teacher guides the students at various stages of developing the project and gives timely inputs for the development of the model.

## **Impact**

- Students are able to apply and analyze the acquired knowledge in the real time industry and social needs.
- Students can apply their theoretical knowledge practically.
- Students are made familiar with current technology in the industry.

- Student projects help them in learning Techno-Managerial skills and adopting to team environment.

### **Conduct of Experiments**

The laboratories are equipped with the state of art equipment and are sufficient to conduct the experiments as per the Anna University curriculum. Each lab can accommodate a batch for three periods per week to ensure the attainment of programme outcomes and programme specific outcomes. Laboratory manuals are prepared by the respective faculty and are available first week of the semester to give an overview about the practical sessions. All the laboratories are equipped with good technical support staff available during working hours and beyond experiments.
