The “Go Green” initiative is nothing new to KCG College of Technology. The Government of Tamil Nadu announced a ban on “one time use and throw away plastics”, with effect from 01.01.2019. But still people use the disposable plastics, without a concern for our future generation.

So, in order to spread awareness amongst the public to world Environmental Day, Cycling was organized by the KCG College NSS team. Nearly 100 students and 10 staff members and 10 Chennai Corporation members of KCG College of Technology participated in the rally.

The CYCLOTHAN was inaugurated by the Chief Guest - **Mr A Gunaseelan, Sanitary Inspector Greater Chennai Corporation – Zone 15** by waving a green flag, which headed from KCG College Campus, Karapakkam, and Chennai-97.

The students displayed placards with slogans to create awareness on the ill-effects of using the plastic, substitutes for plastic, reducing and recycling the plastics.

It's the responsibility of every citizen to leave this earth GREEN for our future generation.
