Before Re-Opening of Campuses

The Central or concerned State Govt must have declared the area safe for opening of educational institutions. The directions, instructions, guidelines and orders issued must be fully abided.

Only universities & colleges outside the containment zones to be allowed to open.

Students & staff living in containment zones will not be allowed to attend the colleges.

Students & staff should be advised not to visit areas falling within containment zones.

The faculty, staff and students should be encouraged to download ‘Aarogya Setu App’.
UGC GUIDELINES FOR RE-OPENING OF UNIVERSITIES AND COLLEGES

Modalities for Physical Opening of Colleges/HEIs

Colleges/HEIs outside containment zones may be opened in a graded manner after consultations with concerned States/UTs & subject to adherence to SOP prepared by UGC as under:

For centrally funded HEIs, the Head of the Institution should satisfy herself/himself regarding feasibility of the opening of physical classes & decide accordingly.

For all other HEIs like State Universities, Private Universities etc., opening of physical classes to be done as per the decision of the respective States/UTs.
Specific Measures to be taken (1/2)

Universities & colleges may plan opening the campuses in phases, with activities where COVID appropriate behaviour can be easily followed.

Universities & colleges to ensure not more than 50% of the total students are present at any point & necessary COVID-19 protocols are observed.

All research & postgraduate students in science & technology programmes may join as they are comparatively less in number & COVID preventive measures can be easily enforced.

Final year students may also be allowed to join for academic & placement purposes, as per the decision of the head of the institution.
