Has obtained PhD from Anna University on the title “Investigations on temperature and equivalence ratio optimization in a downdraft gasifier”.

EDUCATIONAL BACKGROUND:

Qualification	Month & Year of Passing.	Name of Institution.
PhD	June 2020	Anna University.
M.E Energy Engineering	May 2011	College of Engineering Anna University
B.E Mechanical Engineering	May 2009	Sri Ram Engineering College Anna University

PAPERS PRESENTED:

National Conference	International Conference	National Journal	International Journal
05	03	04	04

AREA OF INTERESTS:

- Thermodynamics
- Thermal Engineering
- Power Plant Engineering
- Biomass Gasification

MEMBERSHIP IN PROFESSIONAL BODIES

- Indian Society for Technical Education (ISTE) – Life time member.
- Society of Automotive Engineers (SAE) – 2021-2022.

REVIEWER FOR INTERNATIONAL JOURNAL

JOURNAL OF ENERGY RESEARCH AND REVIEW.

RESPONSIBILITY UNDER TAKEN DURING WORK PERIOD

- Class advisor and project guide.
- Thermal lab In-charge.
- Science exhibition Coordinator.
- ISHRAE (Professional society) Coordinator.
- NPTEL Coordinator.
