ABOUT KCG COLLEGE OF TECHNOLOGY

KCG College of Technology (a unit of Hindustan Group of Institutions) was found in 1998 to fulfill the Founder-Chairman, Dr. KCG Varghese's vision of "Making Every Man a Success and No Man a Failure". The College is affiliated to Anna University, Chennai and approved by AICTE. The College has been certified as an ISO 9001 : 2008 Institution. The college is providing excellent infrastructure, and progressive outlook, in order to achieve high academic standards and performance. The college has established Centre for Excellence in Engineering to actively involved in Research and Development. The campus is spread over 50 acres at Karapakkam which is about 10 km from Adyar on the Old Mahabalipuram Road, the IT corridor of Chennai.

ABOUT THE DEPARTMENT

The Department of Mechanical Engineering had its inception in the year 1998 and is permanently affiliated to Anna University. Mechanical engineering is a core area which provides the student with the skills required for a professional career in a wide range of sectors like finance, industry, consultancy and public services. The department has an intake of 120 students each year for its undergraduate program and 18 students for its postgraduate program. The department imparts knowledge in three major areas, namely Thermal Engineering, Manufacturing and Design. SAE, ISTE, Energy Club, and Institution of Engineers are also functioning effectively to help the student community.

ABOUT INSTITUTION OF ENGINEERS

The Department of Mechanical Engineering had its inception in the year 1998 and is permanently affiliated to Anna University. Mechanical engineering is a core area which provides the student with the skills required for a professional career in a wide range of sectors like finance, industry, consultancy and public services. The department has an intake of 120 students each year for its undergraduate program and 18 students for its postgraduate program. The department imparts knowledge in three major areas, namely Thermal Engineering, Manufacturing and Design. SAE, ISTE, Energy Club, and Institution of Engineers are also functioning effectively to help the student community.

ABOUT THE SEMINAR

Six Sigma is a well structured process improvement methodology, applying various statistical tools and project management techniques. It is applicable for all processes, design, manufacturing, service, transactional etc., wherever we have input transformation into output. Breakthrough improvements can be achieved through Six Sigma projects. Sustainable process improvements are achieved by following the above methodology.

TOPICS OF THE PROGRAMME

- Glimpse on latest Arc Welding power sources
- Lean Manufacturing
- Lean Manufacturing and Six Sigma Application in Auto component industry

ORGANIZING COMMITTEE

Chief Patrons

Dr. Elizabeth Verghese, Chairperson
Dr. Anand Jacob Verghese, Director & CEO
Dr. Annie Jacob, Director

Patrons

Dr. G. Prabhakaran, Principal
Dr. Sumathi Poobal, Professor & Vice Principal

Convener

Dr. S. Ramesh, Professor & Head / Mech

Organizing Secretaries

Mr. Jagwant Parthasarathy, Assoc.Prof / Mech Mr.
M.Siva shankar, Assistant Professor/Mech

RESOURCE PERSON

Dr. S. Rajkumar, Vice president – Operations
 Rane Engine Valves Ltd.
Mr. R. Ananda Kumar, G.M - Quality Department
 Schwing stetter india Pvt. Ltd.
Mr. K. Balasubramanian, Head-operations &
 Technical Services
 Migatronic India Pvt. Ltd.
Mr. L. Sivaraman, Head – Product Development
 Ashok Leyland

RESOURCE PERSON

Last Date for Registration:
7th July 2017 (Scanned copy of DD/Net Banking
 details along with registration form to be sent)
 Confirmation of Participants via E-mail:
10th July 2017
